PLAINFIELD ZONING BOARD OF ADJUSTMENT NOTICE OF DECISION

School House Condos LLC 123 Gleason Road Plainfield, NH 03781

You are hereby notified that the appeal by School House LLC for special #20, Multi-Family Building, allowing for three 2-bedroom condominiums to be established in the former Duckworth Museum building located at #21 Bean Road has been granted by the affirmative vote of at least three members of the Zoning Board of Adjustment.

As part of its review of this application the board made the following findings:

- 1) The lot (map 104-6) is 2.7 acres which is large for the Village Residential Zone.
- 2) A multiple family use is permitted in the zone by special exception.
- 3) The lot (tax map 104-6) will be served by both municipal water and sewer and the water district has confirmed that the new use is acceptable to them.
- 4) A Life Safety Code Compliance review by a fire protection engineer service is being required by the Building Inspector.
- 5) A site plan review by the Planning Board is in process.

Richard Colburn, Chair

Plainfield Board of Adjustment

Richard M Collen

Schoolhouse Condos LLC 123 Gleason Road Plainfield NH 03781'

Re: Approved Site Plan

Thom Lappin\ James Kelleher

This letter will serve as the site plan approval for your School House Condo LLC project at #21 Bean Road Zoning Board case 2020-08. This approval covers the conversion of the former Duckworth Museum to three two bedroom condominium units to include up to three new two car garages. The project is to be serviced by both public water and sewer and the residential units will be protected by a fire suppression system.

Outside lighting is to be all dark sky compliant and whenever possible mature landscaping is to be left in place.

Garages are to be located so as to provide adequate turning radius for vehicle entry in a single moment and to provide maximum opportunity for large vehicles to turn around in the existing parking lot.

Any additional structures or development on the site will require further Planning Board review.

A complete set of project plans to be placed on file at the town office.

At the discretion of the building inspector the services of a NH licensed Fire Protection Engineer are to be used to address any outstanding building code issues.

Stephen Halleran, Town Administrator
