Reference: Letter to allow furniture to moved into dorm bedrooms.

I inspected both Kilton and Welch dorms, first and second floor dorm rooms, bathrooms and hallways. All areas finished and furniture can be moved into dorm rooms. Fire alarm/suppression not completely activated at this time. The rooms may not be occupied until new dorms additions are completed..

A Certificate will be issued for new dorm additions when completed so students can occupy dorms. This does not include new residences or remodeled original residences or Kilton's old dorms.

A handwritten signature in black ink, which appears to read "David H Lersch". The signature is fluid and cursive.
