

February 3, 2021

Town of Plainfield  
David Lersch, Building Inspector  
PO Box 380  
Meriden, NH 03770

Greetings,

Enclosed is a completed application for a Solar Installation at:

**1063 Rte 120  
Meriden, NH 03770**

Also included are the necessary requirements needed for the permits, a check for \$50.00 and a self-addressed stamped envelope.

Please note the customer has authorized ReVision Energy, Inc to apply and obtain any permits necessary for this installation.

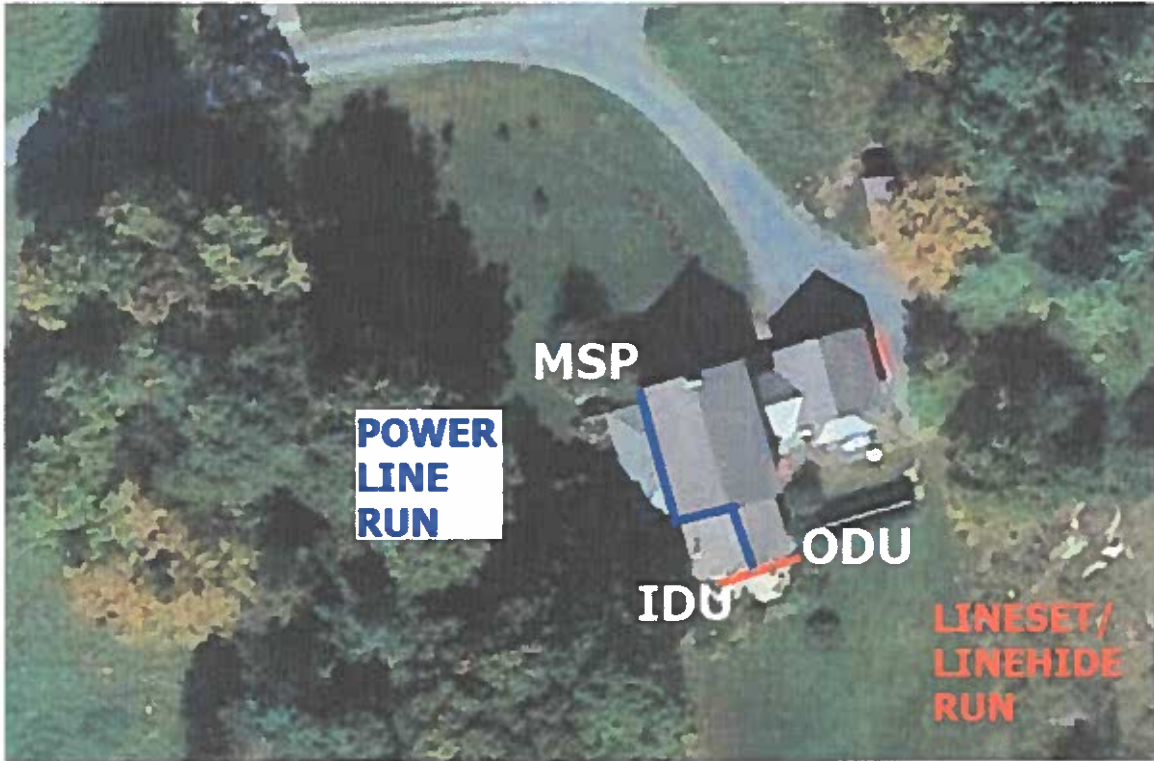

If you have any questions, or need additional information regarding these applications, please feel free to contact me.

Thank you and Enjoy the Sun!
