

**PLAINFIELD PLANNING BOARD
AGENDA
Monday October 15th Meeting**

**Meriden Town Hall
110 Main Street**

7:00pm Continuation of Richardson subdivision.

 Finalization of wetland zoning ordinance change.

 Meeting Adjourned

Due to a scheduling conflict for Hugh and Mike the KUA portion of the evening has been moved to November 5th. The good news is that KUA has bought into our concerns about tree placements and I have a meeting scheduled for Thursday 10/11 with landscape architect William Flynn to explain to him what we are hoping to accomplish.

Peter Dzewaltowski, from UVLSRPC, would like to meet with the Board on Monday October 29th to discuss the commission's work to date on our project. I should have some draft materials from them shortly. This would be an additional meeting, however, I think it would be best if we could devote an entire session to this project rather than trying to schedule it in around applications and other projects.

All the materials for our meeting are in this packet, however, go to <http://www.plainfieldnh.org/towngov.html> and click on the Planning Board documents link. I'd like to see us eliminate the paper mailings and go to this system. Mike and Mary Lou Sutherland will edit the page look like all the other town web pages, the key is that the information is all right there for anyone to access. The Zoning Board has been using this system for a couple of months and likes it a great deal. Check out their page, yours would like exactly the same.

See you Monday night.
Steve
