

Emergency School Board Meeting March 26, 2020 at 6:30pm

There will be an emergency meeting of the Plainfield School Board on Thursday, March 26, 2020 at 6:30 PM to discuss and respond to questions regarding our Remote Learning model. Attached to this email is the agenda. In order to protect our staff, board and community members, we will be holding this meeting remotely through Zoom.

Below, you will find a tutorial on how to use Zoom and the meeting information to access and participate in the meeting from your home. You can connect through a phone or a computer. You should be able to click on the "Meeting Access Information" link and have it take you directly to the meeting. There may be software you need to download on your computer/tablet/phone if you haven't used Zoom before and choose that option. There is a free Zoom app available.

We do not expect any technical difficulties and have tested the use of Zoom internally, but it is the first time we are using this format with the community at large. Thank you for your patience and we hope you can join us!
