

# Energy Expo

October 24, 2009, 10 AM - 3 PM  
Plainfield Elementary School, Meriden, NH

The Energy Expo is an energy-themed fair which will include displays of commercial alternative energy products, energy-related non-profit and governmental organizations, workshops on a range of subjects, celebration of the school's successful energy saving project and a fund-raising lunch by PES students.

Speakers will include:

- Marc Rosenbaum of EnergySmiths
- Linda Darveau of Region 1 EPA
- Bob Walker of SERG
- Stephen Morris, Editor of Green Living Journal
- and others

We welcome attendance from our neighboring towns on both sides of the river.  
This event is **free**.

Film: “**Kilowatt Ours**” will be shown on **Friday evening, October 23, at 7 PM** in Hayes Auditorium at Kimball Union Academy. This showing is free and open to all.
