

# Energy Expo Schedule

## Displays by:

**EPA \* YesterMorrow \* SERG \* Green Living Journal  
Upper Valley Rideshare \* Sun Catcher \* Atlantic Air  
Clearmountain Solar \* Upper Valley Energy Savings  
Loewen Window \* Sunworx \* Solid Waste & Recycling  
Green Energy Times \* ReKnew Energy \* Omer & Bob \*  
350.org \* UV Transportation \* Patriot Fuels \* And More...**

## Workshops:

- 10:30**      • "Air Leaks? Plug Them Up!: Energy Audits and Tips to \$ave Energy in Your Home" by Bob Walker, Sustainable Energy Resource Group (SERG)
- 11:00**      • "Deep Energy Retrofit" by Marc Rosenbaum, EnergySmiths  
              • "Local Home, Solar Array Generates Electricity FOR the Grid" by Bill Cable, Cornish Resident
- 11:30**      • "The Best Things in Life Are Free" by Stephen Morris, Publisher and Editor, Green Living Journal
- 12:30**      • "Wind Power & You" by Jim Rock and Patrick Miller, Atlantic Air Power
- 1:00**        • "Biofuel Harvest Possibilities in the Upper Valley: From Switchgrass to Wildflowers" by Jo Evarts, Cornish Resident  
              • "Solar Electric Systems 101" by Howie Michaelson, SunCatchers
- 1:30**        • "Deep Energy Retrofit" by Marc Rosenbaum, EnergySmiths  
              • "Local Home, Solar Array Generates Electricity FOR the Grid" by Bill Cable, Cornish Resident
- 2:00**        • "Energy Resources – EPA and DOE" by Linda Darveau, EPA
- 2:30**        • "Wind Power – Myths and Realities" by Bob Wills, WindMonitoring  
              • "Solar Thermal Hot Water" by Ted Emerson, South Face Design/Build
