

**Director's Report**  
**Philip Read Memorial Library**  
**August 2011**

1. The Summer Reading Program is going very well, with an average of 20 people at each program. The Monday plays are also going well. There were 104 people at last week's.

2. Bev Widger, human resources manager at the Claremont Savings Bank, has just hosted a presentation by a labor lawyer on the labor laws, including volunteers. She is willing to come and make a presentation to us about what she learned if we would like her to.

3. The library has been extremely busy this summer. Usage always goes up when the economy is down. Maybe fewer people are traveling this summer.

4. Statistics attached. Patron visits include the 4<sup>th</sup> of July.
