### **Chief's Update**

Our Police Department continues to see a steady flow of cases for our officers to investigate and resolve.

The most recent events involve two home burglaries that have occurred, one on River Road the other on Dodge Road. Both homes were broken into and personal property was removed without permission.

We continue to get calls reporting frauds and scams. In addition to the usual lottery winnings, etc., a resident recently called me to report that his car was advertised for sale on the web, included photographs. The problem was that the car isn't for sale and was sitting in his driveway. Please be careful and alert to frauds and con's.

Our agency also needs your help. We need your eyes and ears to help keep our community safe. If something doesn't look right, please contact our office; and we will dispatch an officer to investigate.

Should you have any questions, please feel free to contact me.

Sincerely,

Paul M. Roberts  
Chief
