

Now that we are in to the New Year, I hope everyone had a wonderful holiday.

I wanted to mention that a resident has reported a problem putting Netflix in their mailbox and having it turn up missing. I suggest that Netflix users use the US Post Office drop boxes so these items will not be accessible.

In addition, I have had several questions about the “Wooden Bear Theft” in town. I am pleased to say that charges have been brought forward against the persons involved, and they have been convicted of theft and fined \$ 1000.00 each.

Finally, I would like to invite everyone to an open house at the Police Department on the 18<sup>th</sup> of January. This would be a great opportunity to meet our officers and asked any questions. Coffee, Cider and cookies will be available.
