**IDEA & Preschool Entitlement Funds: Application for Plainfield School District.**

IDEA entitlement and preschool funds are based on the actual number of special needs students in the districts. It is expected that Plainfield will qualify for a total grant of **\$57,241.83** in FY 2009. These funds must be used to supplement our local expenditures. They cannot be used to reduce an amount spent by local funds in a prior fiscal year. During the current fiscal year these funds are being used to pay for such services as speech and language services, special education assistants, a part time school social worker, staff development, and a part time school psychologist. Some of the funds are used to help us actively seek out, find and evaluate children who may be eligible for special education services. Federal law requires that we do this. The specific manner in which we propose to spend these funds is outlined in a grant application which was submitted in September of 2008. Delivery of the services proposed is contingent upon the approval of the application and the actual receipt of funds.
