

## **REPORT OF THE TOWN CLERK-2009**

We had several important changes in 2009. On the State side, we are now able to process lease and lease transfers, which saves everyone that extra trip to the State offices. The State surcharge fees went into effect in August, which has increased the cost of vehicle registration for everyone.

On the town side, Michelle Marsh joined the office as full time office manager. Michelle in the dual role of town clerk will continue the present hours for the motor vehicle registrations, etc. With Diane Rogers's help, we have also been able to add clerk ours on Friday morning starting at 7:00am.

We are now depositing all checks daily electronically to meet the State regulations of daily deposits and save the numerous trips to the bank.

It is with great confidence that I pass the town clerk baton to Michelle Marsh. As my deputy for these many years, Michelle has completed hours of town clerk training both at the town and state level.
