

**REPORT OF THE PLAINFIELD POLICE DEPARTMENT  
2009**

Calls for service were up slightly from 2008. Our biggest concern is the non-violent crimes, namely fraud. We have tried our best to track down where these fraudulent schemes are coming from. Most are from foreign countries and it appears there is little the federal government can do to arrest these people. The economy was also responsible for more family and domestic calls this year. Again I want to thank everyone for thier support. It is a pleasure to have the quality of professionalism and expertise that the Town of Plainfield has within the police department

Respectfully,  
*Gordon A. Gillens*  
Police Chief
