REPORT OF THE TAX COLLECTOR-2009

Despite the economic problems of 2009, most taxpayers were able to meet the payment deadlines on schedule. I know that this was difficult for many as there have been many layoffs, pay decreases and we are not out of the woods yet.

These timely payments have meant that the town has remained solvent and has not had to borrow monies to meet its obligations. This in turn does save money for the town.

Interest is calculated to the date received. If you cannot make the full payment, pay what you can. You will pay interest on the balance but not the full amount.

If you are over 65, please look into the possibility of elderly credits which can help lower taxes. These credits are based on assets and income. There is also a State rebate based on income that may help. Thank you for your efforts. It is appreciated.

Respectfully submitted,
Roth Ann Wheeler
