

## WELFARE DIRECTOR'S REPORT

Again this year, I offer great thanks to the many individuals and businesses that make my job a lot easier and help our citizens when they are in need. Many residents each year make donations of food, clothing, heating oil, and firewood. This type of kindness for our neighbors is just one of the great benefits of living in a rural community.

The senior socials continue to be well attended we have been averaging 65-70 attendees. Thanks to donations and the help from surrounding businesses we have had a wide range of food and goodies. If you haven't attended one of our gatherings, please join us. Remember these are your socials so if you would like something changed or added or just have a new idea please mention it to me and we will try to accommodate. If you need a ride please call me at 675-2646 and will try to accommodate you. We are also always looking for help with the socials, if you would like to volunteer please contact me.

Most importantly, if you or a family member are in need, call the town office at 469-3201 and a discreet appointment will be made to see what types of federal, state or local assistance might be available to you.

Respectfully Submitted,
