PLAINFIELD SCHOOL DISTRICT
WARRANT
STATE OF NEW HAMPSHIRE

Sullivan, ss: School District of Plainfield

To the inhabitants of the School District of Plainfield, in the County of Sullivan and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Plainfield Elementary School in the Village of Meriden in said Plainfield, New Hampshire, on Saturday the tenth day of March, 2018, at 10 a.m. to act on the following subjects.

Article I. To see what action the District will take with respect to reports of District officers.

Article II. To see if the District will vote to raise and appropriate the sum of \$6,797,101 for the support of schools, for payment of salaries to school district officials and agents, and for the payments of the statutory obligations of the District for the 2018-2019 fiscal year. This article does not include appropriations contained in special or individual articles addressed separately.
(The School Board recommends this appropriation.) (Majority vote required.)

Article III. To see if the District will vote to approve the cost items included in the three-year collective bargaining agreement reached during good faith negotiations between the Plainfield School Board and the Plainfield Support Staff Association, which calls for the following increase in support staff salaries and benefits at the current staffing levels:

Year	Estimated Increase
2018-2019	\$19,113
2019-2020	\$18,865
2020-2021	\$19,736

And further to see if the District will vote to raise and appropriate the sum of \$19,113 (nineteen thousand one hundred thirteen dollars) for the 2018-2019 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. (The School Board recommends this appropriation.) (Majority vote required.)

Article IV. Shall, the Plainfield School Board, if Article III is defeated, authorize the governing body to call one special meeting, at is option, to address article cost items only? (The School Board recommends this action.) (Majority vote required.)

Article V. To see if the District will vote to approve the cost items included in the three-year collective bargaining agreement reached during good faith negotiations between the Plainfield School Board and the Plainfield Education Association, which calls for the following increase in staff salaries and benefits at the current staffing levels:

Year	Estimated Increase
2018-2019	\$40,715
2019-2020	\$39,526
2020-2021	\$40,317

And further to see if the District will vote to raise and appropriate the sum of \$40,715 (forty thousand seven hundred fifteen dollars) for the 2018-2019 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. (The School Board recommends this appropriation.) (Majority vote required.)

Article VI. Shall, the Plainfield School Board, if Article V. is defeated, authorize the governing body to call one special meeting, at is option, to address article cost items only? (The School Board recommends this action.) (Majority vote required.)

Article VII. To see if the District will vote to raise and appropriate the sum of \$50,000 (fifty thousand dollars) to be added to the Special Education and Tuition Expendable Trust Fund created in 2000 pursuant to RSA 35:1-c, for the purpose of either special education expenses or tuition expenses or both. (The School Board recommends this appropriation.) (Majority vote required.)

Article VIII. To see if the district will vote to raise and appropriate the sum of \$30,000.00 (thirty thousand dollars) for the purpose of replacement of two floors at \$15,000.00 (fifteen thousand dollar each) with the Epoxy Urethane surface. (The School Board recommends this appropriation.) (Majority vote required.)

Article IX. To see if the District will vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield residents to advise the School Board in the area of the School District Budget. (The School Board recommends this action.)

Article X. To transact any other business that may legally come before this meeting.

(NOTE: Election of School District officials will take place at the same time and place as election of town officials on March 13, 2018).

Given under our hands at said Plainfield this 15th day of February 2018.

A True Copy Attest:

Katherine Whybrow, Chair
Christian Forman
Jenny Ramsey
Mike Sutherland, Vice Chair
Raymond Webb
Plainfield School Board

**PLAINFIELD SCHOOL DISTRICT
WARRANT
STATE OF NEW HAMPSHIRE**

ELECTION OF OFFICERS

To the inhabitants of the School District of Plainfield, in the County of Sullivan and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Plainfield Elementary School in the Village of Meriden in said Plainfield, New Hampshire on Tuesday the thirteenth of March, 2018 at 8 a.m. to act on the following subjects:

Article I: To choose by ballot a Moderator, a Clerk and a Treasurer each for a one-year term; two School Board Members for a three-year term. (Polls will open at 8 a.m. and will close at 7:00 p.m. unless the Town votes to keep the polls open to a later hour.)

NOTE: All other school district business will be considered at the School District meeting to be held on Saturday, March 10, 2017, at 10:00 a.m. at the Plainfield Elementary School.

Given unto our hands at said Plainfield this 15th day of February 2018.

A True Copy Attest:

Katherine Whybrow, Chair
Christian Forman
Jenny Ramsey
Mike Sutherland
Raymond Webb
Plainfield School Board

Eden Brown, third grade

**Plainfield School District
Minutes
Annual Meeting – March 10, 2017**

At a legal meeting of the voters of the School District of Plainfield, Moderator Paul Franklin called the meeting to order at 6:30 pm, March 10, 2017, at the Plainfield School in the Village of Meriden in said Plainfield. Attendees recited the Pledge of Allegiance.

The Moderator introduced the Board Members and Professional Staff then explained the rules of the meeting and read the statement by Suzanne Spencer, Clerk of the School District of Plainfield, NH, that hereby certifies that on the 3rd day of February, 2017, the posting of the true and attested copy of the within warrant at the Plainfield School, the Meriden and Plainfield Town Halls, said locations being public places within the district. Notarized by Beth Bierworth, Notary Public.

The Moderator then read the Certification of Posting and Certification of the Checklist, noting that 1761 names were listed on the Checklist.

A motion was made by Steve Taylor and seconded by Chris Forman to dispense with the reading of the entire warrant. The vote by voice was in the affirmative.

ARTICLE I: The Moderator recognized Kate Whybrow who offered the following resolution:

That the District accept the reports of Agents, Auditors, Committees and other officers as printed in the annual report.
The resolution was seconded by Chris Forman.

The vote by voice was in the affirmative and it was so declared.

Article II: The moderator recognized Chris Forman who offered the following resolution.

Resolved: That the district vote to raise and appropriate the sum of \$6,448,252 for the support of schools, for payment of salaries to school district officials and agents, and for the payments of the statutory obligations of the district for the 2017-2018 fiscal year.
The resolution was seconded by Kate Whybrow.

School Board Chair Chris Forman gave a presentation using a slideshow.

The vote by secret ballot for Article II resulted in:

YES 96 **NO 17**

The vote was in the affirmative, the resolution adopted, and it was so declared.

ARTICLE III: The Moderator recognized Ray Webb who offered the following resolution:

Resolved: To see if the district will vote to raise and appropriate \$30,000 for the purpose of replacement of two floors at \$15,000 each with Epoxy Urethane surface.

The resolution was seconded by Jenny Ramsey.

The vote by secret ballot for Article III resulted in:

YES 94 **NO 19**

The vote was in the affirmative, the resolution adopted, and it was so declared.

ARTICLE IV: The Moderator recognized Kate Whybrow who offered the following resolution:

Resolved: That the District vote to raise and appropriate the sum of \$50,000, to be placed in the Special Education and Tuition fund created in 2000 pursuant to RSA 35:1-c for the purpose of either special education expenses or tuition expenses or both.

The resolution was seconded by Chris Forman.

Questions were asked about special education out-of-district placements and catastrophic reimbursements from the state.

The vote by secret ballot on Article IV resulted in:

YES 94 **NO 17**

The vote was in the affirmative, the resolution adopted, and it was so declared.

ARTICLE V: The Moderator recognized Ray Webb who offered the following resolution:

Resolved: That the District vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield residents to advise the school board in the area of the school district budget.
The resolution was seconded by Chris Forman.

The vote by voice was taken, the “Ayes” ruled, it was in the affirmative and so declared.

ARTICLE VI: Other Business

Resolved: To transact any other business that may come before this meeting.

Stephen Taylor made a motion to adjourn, it was seconded by Chris Forman.

A vote by voice was taken and the “Ayes” ruled.

Moderator Paul Franklin adjourned the School District meeting at 7:37 PM.

Respectfully Submitted,
Suzanne Spencer
School District Clerk

Brian Rogers, third grade

**PLAINFIELD SCHOOL DISTRICT
MINUTES
ELECTION MEETING – MARCH 14, 2017**

The election of School District officials took place at the same time and place as the election of Town officials on Tuesday, March 14, 2017. Moderator Paul Franklin declared the meeting open at 8:00 AM and read the School District Warrant and certification of posting provided by the School District Clerk. The ballot boxes were determined empty.

The polls closed at 7:00 PM

ARTICLE I: Balloting results were as follows:

For School District Moderator (1 Year):

Paul Franklin	224
Write in:	
Steve Taylor	1
Gary Ward	1

Elected: Paul Franklin

For School District Clerk (1 Year):

Suzanne Spencer	204
Write in:

The meeting adjourned at 7:00 p.m.

Respectfully submitted,

Suzanne Spencer
Plainfield School District Clerk

Aila Van Dolan, third grade

ADMINISTRATIVE REPORTS

Superintendent's Report

I am writing this year's report with great pride and satisfaction as we look at the growth our school district has made. Our school works extremely closely with our community and we pride ourselves on the relationships we keep with families, businesses and our town citizens. Collectively, it is our responsibility to make sure that our children upon graduation from high school are either college or career ready. But in these difficult times, they must also be prepared with a strong background in civics, government and the principles of a strong democracy. This is always a challenge and requires the balancing of needs from the schools for resources, staff, and facilities and our residents' ability to invest through taxes for education. In the preparation of the budget, we do our very best to find that balance, respecting the vision of preparing our children for the future in a sustainable global community as we go through that process.

The administrative team, is in the first year providing services to SAU 100, Cornish School District. Our time is divided between the two districts and we have a physical presence in each building a minimum of two days per week. The services we provide are superintendent services, business administration and special services for identified children. This process has gone smoothly with only minor concerns as we set up a completely new Human Resources, Accounting and Payroll, and Professional Development Departments in Cornish. An outcome of this collaboration is the achievement of efficiencies for both districts and plans to share professional development opportunities as we move forward and search for every opportunity to work together. We have shared students for our drama production this year as well as sports teams where we were able.

The District successfully negotiated the agreement with Norwich Technologies and Barrington Energy to construct the Solar Power Array that will produce close to 100% of our electric energy needs. The array is finished and producing power for the school on a net metering arrangement. This achievement continues our strong legacy in being a very "green" school and also guarantees us a small savings on the cost of our energy.

We have continued our work on the development of a strategic plan. This plan will become our road map for the next five to ten years. Working with the community and staff we have a draft vision statement that will guide us into the next phase of our work. This work will include forward looking goals encompassing, Curriculum, Instruction, Assessment, Facilities, Finance, and Governance. The School Board will resume work on the final development of the plan after we reorganize at our first regular School Board meeting in March.

Plainfield children attend Lebanon High School or Kimball Union Academy with a few exceptions. Each year our graduates continue to excel and earn honors in academics, co-curricular activities and athletics. Plainfield has a reputation as a high quality school with students achieving at their highest levels regardless of their level of ability and this continues to impress me. We are very proud of what we are able to provide and how well our children do as a result. Our receiving schools specifically identify Plainfield students for their academic readiness, collaborative work skills, highly developed problem solving skills and critical thinking minds. They are prepared to approach challenges and solve problems.

The greatest challenge our children still face is the amazing speed at which technology and the global economy is changing. A tour inside today's modern manufacturing facilities find them full of robotic

machines doing everything except the most complicated of work. If work is repetitive or routine it can be performed cheaper and better by robots than by humans. While the global economy is changing, so too is the global political perspective. How does this impact what we are teaching and how we teach it? What are the impacts of global economies, global warming, shifting populations, world politics and war? What skills will our children need in the future? What will the actual school building look like, indeed will there even be school buildings? Personalized learning online, anywhere, at any time is a current reality. How do we compete with the competition of Charter Schools and potential public funding for private and religious schools, all possibilities in the current conversations in Concord and Washington D.C.?

Social media is also a new phenomenon with increasing concerns as young people find their sense of community online rather than by walking down a street in their neighborhoods and having casual conversations. Attitudes and beliefs are shaped by distorted media, and misinformation fed to us by “bot” computers with no human face behind them. Where we once taught children to look for the source of material they read in a book or newspaper and how to discern truth and fact from propaganda and innuendo, we now have to find ways to apply those skills to the cyber world where anyone can claim to be an expert and “fake” news and alternative facts inundate our cell phones and tablets.

These realities place a great deal of stress and pressure on our existing public school system and methodology for delivering education. As a result, this past year our staff has continued to invest time adjusting curriculum toward an approach that is based not only on State Standards, but also on State and Local Competencies in each of the core content areas. Our lower grades are slowly adjusting to a problem based, blended learning personalized approach to delivering and receiving education as we adopt a full competency based approach, and eventually adjust report cards to reflect exactly what a child knows and is able to do. All of this is in response to the changes in the way work will be done in the future. The types of skills in communication, collaboration, problem solving and directing our own learning that will be necessary require us to make these changes.

The constantly changing environment in the world of work, the interaction of global economies, political upheavals and the physical and emotional risk factors of our modern world make this work extremely challenging and at the same time extremely rewarding. To further our discussion together, I remain available to attend any meeting of any organization in town and to come to house parties for coffee and conversation about school and education.

Thank you for the opportunity to serve as your Superintendent for the last year. I will do my best to make sure that we do our best to assure that every child has the very best opportunity we can provide to accomplish our mission.

Respectfully,

Frank S. Perotti

Frank S. Perotti, Jr.

Ed.D. Superintendent

Plainfield School District MISSION STATEMENT –

As a community of learners, our educational mission in Plainfield is to support and expect academic excellence while building character, self-confidence, and enthusiasm for life-long learning.

Principal's Report

~ PES is a sustainable community school which is committed to student growth and achievement through a rigorous education and which reflects the New England values of integrity, ingenuity, collaborative spirit, and stewardship of the natural environment.~

To the citizens of Plainfield, the Plainfield Elementary School Board, and the Superintendent of Schools,

The quote above is the latest draft of our school vision, which was created with the input of the school board, administration, faculty, staff, students, and community. The purpose of the school vision is to sustain our community school, while providing Plainfield's children with a quality education.

During the first six months as the school's new principal, I have witnessed many instances of the collaborative spirit in this community. Over the summer, Cindy Patch, Amanda Jewell, and Doug Illsley organized many parent volunteers to build new playground equipment. The Byrne Foundation provided a significant grant to fund the project, and many area residents, parents, and businesses also contributed to the project's success. A big thank you from all of us at PES to all of the contributors and volunteers.

At the start of the school year, the Plainfield School Board welcomed our new and returning staff to the new school year with a delicious pancake breakfast. New staff members include middle school English and Social Studies teacher Amanda Parker, middle school Science and Math teacher Jennifer Frederick, middle school part-time Math teacher Kelly Hall, Special Education teacher Elisabeth Cairns, Nurse Jennifer Hnatov, and School Counselor Sara Wilmot. We welcome these highly qualified educators. Additionally, Christie Danen and Hilary Noyes joined our school as paraeducators. Presently, Janna Downs and Leah Stone paired up as our building facility team.

The fall brought the completion of a project demonstrating a commitment to the natural environment. Our solar array went live, and our first-grade students spread grass seed as a finishing touch. In the late spring of 2018, there will be a ceremony dedicating the array to long-time Plainfield Energy Commission volunteer, Allan Ferguson.

The entire community is dedicated to the next generation's growth and achievement through a rigorous education. Our faculty and staff mentor our students in the skills necessary to become college and career ready. Critical thinking, creativity, and problem-solving are just a few of the areas we focus on to help our students develop a lifelong love of learning. We continue to move forward ensuring the children of the Plainfield community become competent, responsible, and caring citizens who make positive and meaningful contributions to the local, national, and global society.

This year, some of our middle school teachers attended the Competency-based Design Studio in Nashua; they will help lead our work in this area. Several of our elementary school educators will soon be visiting Pittsfield Elementary School to learn firsthand the innovative techniques the Pittsfield staff employ to engage students and personalize the learning experience for each child. Currently, we are in the process of reviewing our curriculum. As part of a six-year review cycle, we will consider instructional materials. Our first year focuses on math and writing. Teachers will have an opportunity to work on developing competencies and performance indicators during an Upper Valley Education Summit to be held in August 2018. Expert consultants Ellen Hume-Howard and John VanderEls of the New Hampshire Learning Initiative will lead this professional development. Our goals are to provide dynamic instruction by personalizing instruction and maintaining a positive and productive school culture as your children master content, skills, and dispositions.

Providing enriching opportunities is vital for student growth. This year, to support and promote unified arts, our fifth-grade students participated in an educational program at the Hood Museum, and all grades attended theater productions related to the curriculum. Students in grades 5-8 had the opportunity to be directed by Samantha Green and Jeannie Hines in an adapted version of Shakespeare’s play, *The Tempest*. Kindergarten-4 students will perform in our spring production, *The Lorax*. Community volunteers from the Four Winds science program routinely visit the elementary classrooms and support environmental stewardship, and our school garden activities encourage the same. Other opportunities include a Fall Fun Festival, National Geographic GeoBee, Scripps National Spelling Bee, Math Team, Student Council, Art Club, Cross-Country Ski Club, Lego League and PTO movie nights. In the spring, Sara Wilmot will begin a Girls-on-the-Run program, and we look forward to the PTO helping us organize a 5K Run/Walk wellness event next fall. If you have an expertise and are willing to share with our students, please contact us.

To prepare our students for college and careers in the 21st century, educators have the responsibility to integrate standards developed by the International Society for Technology Education (ISTE). This year, area technology consultant, Laurie Prewandowski, worked with our teachers to develop lessons using authentic problem-based learning that integrates technology for deeper learning. After a detailed analysis of our inventory, we found the computer equipment available to the students is outdated. To help prepare our students with the skills they need for high school and beyond, this year’s budget includes Chromebooks for our middle school students.

As a learning community dedicated to student achievement, one way we assess work is by reviewing standardized assessments. Last spring, students in grades 3-8 took part in the statewide Smarter Balanced Assessment for the second time. Overall, our students performed better than the state average. If you are interested, you can find additional information on the New Hampshire Department of Education’s website.

Achievement Descriptor	Achievement Level	English Language Arts		Math	
		Plainfield	State	Plainfield	State
The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills.	Level 1 (%)	6	18	9	22
The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills.	Level 2 (%)	18	23	30	28
The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills.	Level 3 (%)	49	37	31	28
The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills.	Level 4 (%)	27	22	31	22
Total		100	100	100	100

In addition to academic and enrichment opportunities, we strive to promote mental health and foster a sense of community. Ms. Wilmot meets with students every week and focuses on her H3 program, Healthy Habits of Harmony. She has been asked to present this program at the New England League of Middle Schools annual conference in March 2018. Connecting with and giving back to our local community fosters our school values and the whole child. In the spirit of the Beaupre family, this year our students engaged in numerous service learning projects, such as Thanksgiving cards for local Veterans, a food drive and selling holiday cards for the community food pantry, collecting supplies for The Haven, and creating centerpieces, cooking, serving, and providing entertainment for the annual Senior Luncheon.

Our school is safe and secure thanks to our relationship with our key community leaders, such as Police Chief Paul Roberts, Town Administrator Steve Halleran, Road Agent Rich Collins, and Facility Director Bill Knight. We are currently seeking people to be on our Facilities Committee to study the future building needs.

Please be sure to check out the PES website at plainfieldschool.org to learn about all the fantastic learning occurring here! I appreciate the effort of the Superintendent and the School Board in collaboratively developing a vision statement and fiscal support to achieve that vision. Thank you to the community for your commitment to providing a quality educational environment for Plainfield's children.

Respectfully submitted,

Sandra Brake

Principal

Jordyn Cady, Kindergarten

Director of Special Education Report

Special Education in Plainfield provides for the needs of our students who have been identified with disabilities that affect their learning and/or life functions in a way that requires specialized instruction. These services allow for equity, access and equal opportunity among all students, allowing every child to grow to their full potential.

Every child who has been determined to be eligible for Special Education is entitled to a Free and Appropriate Public Education (F.A.P.E.), to be provided in the Least Restrictive Environment (L.R.E.) to meet their individual needs.

2017-18 Special Education Data [as of 1-29-18]

<u>Age Group</u>	<u>Students with IEP's</u>
PreK-8	36 (includes out-of-district)
Grade 9 – Age 21	6 (includes out-of-district)

- Percent of PES students on IEPs in 2016-17: 14.9%
- NH State average in October of 2017: 16.3%

Other information:

- Number of out of district placements: 3 (includes Pre-K program)
- Number of identified students receiving speech services at PES: 20
- Number of identified students receiving occupational therapy at PES: 7
- Number of identified students receiving physical therapy at PES: 2

The combined figure for Federal IDEA \$ 49,610.55 and Preschool \$ 2,424.10 grant funds available to supplement portions of the 2017-18 Special Education budget is: \$ 52,034.65, a decrease of \$2,923.54 compared to 2016-17.

The number of children in Special Education has remained rather stable over time and we compare closely to the state averages for types of disabilities, programming and costs.

Special Education in Plainfield will continue to be responsive to the needs of children with disabilities, and their families. I welcome your calls and inquiries, and can be reached at adressler@plainfieldschool.org and by calling (603) 469-3250.

Respectfully Submitted,

Amy M. Dressler

Amy M. Dressler, M.B.A., M.Ed.

Director of Student Services

SCHOOL BOARD REPORT 2018

Plainfield Elementary School is fortunate to have a dedicated staff, an involved community, and 201 fabulous students. We welcomed several new staff members and Sondra Brake as our new principal this year. We consider PES one of the best small schools in New Hampshire, and it is brimming with activity and learning.

We have a fairly robust agenda at this year's School District Meeting including:

- A budget that attempts to balance our community's commitment to quality education, our tax burden, and the diverse needs of our students;
- Two new staff contracts are presented for review and approval;
- A request to replace \$50,000 in the District's Special Education & Tuition Reserve Fund;
- A continuation of our classroom floor replacement plan to improve the health of the learning environment.

The Budget

This year's budget process started in October with the development of the following nine principles to guide the decisions and debate of the Board:

1. Develop a fiscally responsible budget that supports the quality education that Plainfield School District currently provides, supporting the board's goals.
2. Follow an open and transparent process which encourages community input.
3. Be innovative about staffing to match enrollments, providing staff development where necessary and appropriate.
4. Continue the practice of returning to the taxpayers an amount equal to any tuition surplus created in the budget.
5. Continue to maintain our school building to ensure a sound, healthy and safe learning environment for our students and staff.
6. Take advantage of ad-hoc funding opportunities, including grants or other shared funding.
7. Maintain fiscally responsible balances in our reserve accounts.
8. Use an ongoing technology replacement and provisioning plan.
9. Be cognizant of long-range planning in the budget process.

Guided by these principles, by input from the Finance committee and from a public hearing, the administration and staff logged hundreds of hours of hard work over three months and five drafts to arrive at a final expense budget. On January 25, 2018 the school board approved an expense budget of \$6,797,101 for FY 2018/19, a \$348,848 (5.41%) increase over the current fiscal year budget.

As always, our district is faced this year with large increases to the budget that are non-discretionary. These include increases to benefit rates such as medical insurance and retirement payments. They also include costs within special education that are driven by individual student needs each year.

Additionally this year, after careful consideration, we have opted to add in some discretionary investments to support our school's long range plan or vision. Sondra Brake's Principal's Annual Report outlines these investments in more detail. Overall, these investments will allow our staff to advance their implementation of Competency Based Learning for our students, increase our middle school student access to appropriate technology in their learning, increase our support of staff in curriculum development, and provide more support to our students in the areas of Guidance, Reading, Writing, and Mathematics. These investments total approximately \$126,500 and are detailed below. As the use of technology becomes more integral in all the classrooms and with an increase in Library/Media Specialist to full time, we have removed the position of Library Assistant, which partially offsets these discretionary increases.

Significant changes in the proposed 2018/19 budget (compared to 17/18 budget) included:

- \$110,000 increase in non-discretionary non budgeted expenses from FY2017/18 that includes a retirement, an additional special education para-educator, and a new special education out-of-district placement.
- \$220,000 increase in major non-discretionary expenses for FY18/19 that include benefit costs, a continuing special education out-of-district placement, and a second new special education para-educator.
- \$60,000 increase in discretionary staff changes that includes an increase from 0.8 FTE (full time equivalent) to 1 FTE for three positions: Reading and Curriculum Specialist, School Guidance Counselor, and Library/Media Specialist.
- \$37,500 investment in Chromebooks for grades 6-8.
- \$13,500 in new math and writing program materials.
- \$15,500 increase in professional development to advance state mandated Competency-based Learning.

- Approximate (\$50,000) reduction by removing the full time library assistant position.

This year (FY 17/18), following voter approval in 2015, we contracted with Cornish SAU 100 to provide administrative work for their district. Our Superintendent, our Special Services Director and our Financial Manager had an increase in .29, .4 and .4 FTE respectively for their work with Cornish. This has worked well for both districts and the contract will carry forward into FY18/19. The expenses are entirely offset in revenue from Cornish. In making this agreement, it was understood that such a cooperation will have no financial cost to the Plainfield School District.

Although state support for PES is slightly larger due to an increase in catastrophic aid next year, we are not carrying a surplus from this year into next. Therefore, overall, non-tax revenue for FY18/19 is \$60,801 less than last year.

On the final ledger (once all current year fund transfers are normalized), the proposed 2018/19 budget will require \$329,649 (6.31%) more from Plainfield tax payers than last year's budget (not including warrant articles for either year).

The Warrant Articles

In addition to the budget, there are four significant warrant articles this year.

New three-year contracts for teachers and support staff:

This is a 'contract' year and the school board has negotiated new agreements with the Plainfield Education Association (PEA) and the Plainfield Support Staff Association (PSSA)

Article III: PSSA contract

The proposed agreement with PSSA will raise the salary grid by 2% for support staff in FY19, 20, and 21. Step 1 on the grid will be dropped, which, in effect increases our starting pay and reduces the number of steps to 12. Staff members in the first 12 years of their career at PES rise one step each year; this rise is accompanied by a 4.0% increase in pay. Those employees at step 12 will receive only the 2% negotiated increase. Employees not on the grid system will receive a 3% salary increase each year. Furthermore, the district will contribute 98% of medical insurance premium for a single person plan, 95% for 2-person and family plans in the first year of the agreement. In year two and year three of the agreement, the district will contribute 97% for a single plan and 94% for 2-person and family plans. These changes will cost the district approximately \$19,113 \$18,865. and \$19,736 in years 1, 2, and 3 of the contract respectively.

Article V: PEA contract

The proposed agreement with PEA will raise the grid by 2% for teachers in FY19, 20, and 21. Step 1 on the grid will be dropped which, in effect, increases our starting salary and reduces the number of steps from 17 to 16. Historically, per the contract, every year a staff member moves up one step until s/he ‘tops out’ at step 16 and these steps include a built in salary increase of 3.54%. The staff at step 16 only receives the 2% negotiated increase.

The district will contribute 95% of medical insurance premiums for single and 2-person plans and 93% for family plans in the first year of the agreement as we do now. In year two and year three of the agreement, the district will contribute 94% for single and 2-person plans and 92% for family plans.

These changes will cost the district \$40,715, \$39,526, \$40,317 in salary and salary driven benefits for year 1, 2, 3 respectively.

Article VII: SPED & Tuition Reserve Fund (\$50,000)

Replenish SPED & Tuition Reserve Fund of monies withdrawn to offset unexpected out of district placement tuition. Goal is \$325,000. Current Fund balance is \$278,094, however we anticipate withdrawing approximately \$119,000 from the fund at the end of the current budget year to offset expenses for a second out-of-district placement and continuing, un-reimbursed expenses from the existing placement.

Article VIII: 2 Classroom Floors (\$30,000)

This article authorizes the replacement of two classroom floors with epoxy urethane floors. We have been replacing the old floors over the last several years and this continues that process in a step-wise fashion. The older floors have significant moisture and odor issues. These new floors provide a durable and easy to clean floor surface and a moisture barrier to enhance the health and safety of the learning environment.

If all expense related warrant articles pass (Budget, Contracts, SPED/Tuition Reserve, and Floors), the total approved expenditures would be \$6,936,929, \$408,677 more than all expense related warrant articles passed last year. Due to a decrease in expected non-tax revenue, and if all warrants are passed, Plainfield Taxpayers would provide \$469,477 - which translates to \$1.81 on the tax rate (\$361.05 of increased taxes on a \$200,000 home).

The Plainfield School Board would like to recognize with immense gratitude the efforts given by the staff, the students, and our many volunteers to make Plainfield School what it is. Small schools have unique challenges and require flexibility and creative use of resources. Our Plainfield community has shown again and again that we can meet those challenges and support our students in their growth and learning.

PLAINFIELD SCHOOL DISTRICT – BUDGET ANALYSIS

2017-2018–

We anticipate ending the 2017-2018 school year without a surplus. As such, we have not carried any amount over to the 2018/2019 proposed Revenue Sheet. It is the practice of the School Board to return to taxpayers some amount of tuition surplus (if any). We currently are not anticipating any high school tuition surplus for the fiscal year 2018.

2018-2019 Expenditures –

Proposed expenditures for the 2018/2019 school year total \$6,797,101, an increase of \$268,849 (4.12%) over this year’s total voted budget with warrants, \$6,528,252.

*****This analysis does not include the amounts and effects of FY 19 proposed Warrant Articles, which if passed will increase the expense total.***

Highlights of the Budget are as follows:

<i>Voter Approved 2017/2018</i>	6,528,252
<i>Increases:</i>	
<i>Regular Education (Salary, Benefit, Supply and Print)</i>	101,895
<i>Special Education – (Contracted Services/Benefit/Tuition)</i>	247,539
<i>Guidance (Salary Benefit, Testing)</i>	9,990
<i>Staff Development(Programming)</i>	20,389
<i>Information Services (M&R)</i>	28,048
<i>School Board (Audit)</i>	600
<i>SAU Office (Providing Cornish Services – Offsetting Revenue)</i>	21,774
<i>Principal’s Office (Salary, Benefit)</i>	4,642
<i>Building Operation (Building Repair)</i>	19,485
<i>Transportation (Contract)</i>	3,225
<i>Subtotal Increases</i>	<u><u>+457,587</u></u>
<i>Decreases:</i>	
<i>Lebanon High School Tuition</i>	2,738
<i>High School Special Education</i>	18,400
<i>Health Services</i>	25,674
<i>Library (Staff Changes)</i>	41,079
<i>Food Service (Contract Change)</i>	2,798
<i>Debt Service (Principal & Interest)</i>	2,251
<i>Transfer (Food Service)</i>	15,798
<i>Transfer (Warrant Article Trust)</i>	80,000
<i>Subtotal Decreases</i>	< 188,738 >
<i>Total Net Budget Increase</i>	268,849
<i>Proposed 2018/2019 Budget</i>	<u><u>6,797,101</u></u>

LHS Tuition –

The A.R.E.A. agreement which regulates tuition rates for Plainfield Students attending LHS, calculates Plainfield and Grantham tuition. The tuition rate for the 2018/2019 school year is set at \$15,579. This budget, as presented, projects 72 students attending LHS in September, compared to 74 projected students in 2017/2018.

SAU Operation-

The Plainfield School Board will begin our second year of a three year Administrative Services Agreement with the Cornish School District, SAU100 which provides superintendent services as set forth in RSA 194-C:4 and provides other administrative services to their K-8 school. SAU32, Plainfield provides the following administrative services to SAU100:

- A Superintendent, 0.3 FTE with a minimum of one day on site in Cornish
- A Business Administrator, 0.4 FTE, two days on site in Cornish
- A Special Education Director, 0.4 FTE, with days on site to equal FTE hours and/or days

This agreement was entered into on July 1, 2017 and ends June 30, 2020. This Administrative Services Agreement as contracted has Cornish paying Plainfield an annual amount for services rendered. Individuals in these roles remain Plainfield employees. The costs of services being provided are captured in the salary and benefit line items of the 2018/2019 SAU budget. Offsetting local revenue captures the Cornish School's payment to Plainfield for services rendered. Each school retains its own SAU designation and structure.

Operation of Building-

In 2018/2019, this category shows a slight increase in building repairs. During the summer of 2018, the facility will undergo a large painting project as well as the installation of outdoor security cameras. This category will increase \$19,485 or 6.22%.

2018/2019 Revenues -

Non Tax Revenues are *estimated* to be \$1,239,460, which is a decrease in revenue of \$60,801 over 2017/2018 budget. At this time, NH Adequacy Aid will be funded at an anticipated amount of \$641,371 which is an increase of \$13,742 over 2017/2018 levels. We have budgeted catastrophic aid from the State of New Hampshire to offset Special Education costs in the anticipated amount of \$217,142. We are also budgeted at the local level, a revenue amount of \$143,916 for the payment of SAU services being provided to SAU 100, Cornish School District.

2018/2019 Bottom Line -

Local tax dollars needed to support this effort increase \$369,649 over the FY18 budget. The 2018/2019 estimated local tax effort of \$5,557,640 represents a 6.31% increase over the 2017/2018 year's budgeted amount of \$5,227,991.

The items set forth in this analysis do not include any of the separate warrant articles, which, if passed, will increase the tax effort necessary to fund those articles.

Respectfully Submitted,
Beth Bierwirth – Business Administrator

Plainfield's Educational Mission

Mission Statement: As a community of learners, our educational mission in Plainfield is to support and expect academic excellence while building character, self-confidence, and enthusiasm for life-long learning.

Responsibilities

The community is responsible for providing a quality education to children in grades K through 12.

The school is responsible for:

- Stating clearly academic goals and defining a curriculum with high academic standards.
- Teaching with an awareness of individual children's learning styles.
- Emphasizing good character, self-discipline, and interpersonal skills.
- Providing an atmosphere that fosters excitement about learning.
- Offering strong administrative leadership and a high quality staff.
- Respecting the values, authority, and input of parents, as well as the situations of the home environment.
- Encouraging involvement of parents and community members in the life of the school.

The home is responsible for:

- Understanding and reinforcing school curricula.
- Encouraging students to complete homework and to place a high priority on education.
- Ensuring that children arrive at school on time, rested, fed, and ready to learn.
- Respecting the expertise and authority of teachers and staff.

Results

Students should possess a foundation of information, concepts, and learning skills:

- Analytical skills: identifying and formulating problems, researching information, and developing creative solutions.
- Reading, writing, and speaking effectively, with grounding in US. and world literature.
- Mathematics, including the ability to apply quantitative thinking and analysis in daily life.
- Physical, earth, and life sciences, including how these are manifested in everyday phenomena such as the environment, technology, and weather.
- History, geography, government, and the responsibilities of citizenship in local, national, and global contexts.
- Significant exposure to the arts, a foreign language, and the diversity of human culture.
- Effective use of computers for computation and processing information.
- Appreciation of physical and mental health, including avoidance of substance abuse and communicable diseases.

Students should display behaviors that allow them to be productive learners and relate effectively to others:

- Enthusiasm for learning.
- Confidence and self esteem.
- Self-discipline and good work habits, including the ability to listen and take turns.
- Personal integrity and honesty.
- Willingness to take responsibility where appropriate and to follow through once responsibility is assumed.
- Acceptance of, sensitivity to, and compassion for others.

Mutual respect, support, and participation among the community, families, and the school are vital to effectively achieving our mission. Open communication is encouraged, valued, and respected.

NONDISCRIMINATION NOTICE

Plainfield School District does not discriminate in its education programs, activities, or employment practices on the basis of race, color, national origin, religion, age, sex, marital status, sexual orientation or disability under the provisions of Title VI of the Civil Rights Act of 1964, Title VII of the Civil Rights Act of 1965, Section 1981 of the Civil Rights Act of 1966, the Equal Pay Act, Title IX of the Education Amendments of 1972, the Age Discrimination in Employment Act of 1967, the American With Disabilities Act of 1990, the Rehabilitation Act of 1973, the Individuals with Disabilities Act, RSA 186-C, and RSA 354-A. Any person having inquiries concerning Plainfield School District's compliance with the regulations implementing these laws may contact: Superintendent of Schools, 92 Bonner Road, Meriden, NH 03770, (603) 469-3442.

Certain specific inquiries may be directed to the following: Title IX Coordinator, Sondra Brake; Title VI, VII and 504 Coordinator, Sara Wilmot.

Any person may also contact Title IX Coordinator, NH Department of Education, 101 Pleasant Street, Concord, NH 03301. (603) 271-3196, for Title IX and Age Discrimination; Section 504 Coordinator, NH Department of Education, 101 Pleasant Street, Concord, NH 03301, (603) 271-3610, for Section 504 of the Rehabilitation Act of 1973; Supervisor for National Origin & Equal Education Opportunity, NH Department of Education, 101 Pleasant Street, Concord, NH 03301, (603) 271-3582, for Title VI of the Civil Rights Act of 1964; the Assistant Secretary for Civil Rights, U.S. Department of Education or the Director, U.S. Department of Education, U.S. Government, 10 Causeway Street, Boston, Massachusetts 02114

NOTICE OF RIGHTS TO SPECIAL EDUCATION SERVICES

School Administrative Unit #32, in complying with the Individuals with Disabilities Education Improvement Act of 2004 (IDEA 2004), is required to locate and identify all school age children who may have educational disabilities including those who are homeless, migrant, wards of the state, or attending private schools within the Plainfield School district boundaries.

If you are a parent of, or know of a child age 3-21, who you feel may have an educational disability, please contact the School Principal or Director of Special Education at 603-469-3250. SAU #32 will provide free screening and evaluation of any child referred to them. Students found eligible for special education services will be offered a free appropriate public education.

A student with a disability who does not qualify for services under the IDEA 2004 may qualify for accommodations under Section 504 of the Vocational Rehabilitation Act. Referrals under Section 504 may be made to the Principal.

Parents have the right to review the educational records of their children, as guaranteed by the Family Educational Rights and Privacy Act.

Eleri Clifton, ninth grade

IDEA & Preschool Entitlement Funds: Application for Plainfield School District

IDEA entitlement and preschool funds are based on the actual number of special needs students in the district. It is expected that Plainfield will qualify for a total grant of **\$52,034.65** in FY **2018**. These funds must be used to supplement our local expenditures. They cannot be used to reduce an amount spent by local funds in a prior fiscal year. During the current fiscal year these funds were used to pay for such services as speech and language services, special education assistants, a part time school based clinician, staff development, and a part time school psychologist. Some of the funds are used to help us actively seek out, find and evaluate children who may be eligible for special education services. Federal law requires that we do this. The specific manner in which we propose to spend these funds is outlined in a grant application which was submitted in August of 2017. Delivery of the services proposed is contingent upon the approval of the application and the actual receipt of funds.

Maya Tomlinson, sixth grade
