

CORNISH RESCUE SQUAD -2018

Dear Members of the Plainfield and Cornish Communities:

One again members of the Cornish Rescue Squad would like to thank you for your financial support through both town funding and individual donations. The funds are used to pay for insurance, dispatch fees, vehicle registration/maintenance, building utilities/maintenance, supplies, equipment, protective gear and training for our members along with other day to day costs of operation.

This year we were blessed with the addition of 5 new Nationally Registered EMT's. These new additions have helped us keep up with the increasing demand for our services. In 2018 we responded to 200 plus emergency calls for service. As our populations ages, we find that the number of calls also increases where we are often responding to multiple calls in a single day. The Rescue Squad works hand in hand with Cornish, Plainfield, and Meriden Fire Departments providing emergency services to our communities. If you are interested in joining, or if you have questions, please contact either Gary Chilton at 603-469-3831 or Rob Drye at 603-675-9159.

If you are interested in becoming an EMR or EMT, please contact Jim McCarragher at 603-469-3505.

PLEASE be SAFE!

DIAL 911 for any emergency, Medical, Fire or Police related. NH Poison Control 1-800-222-1222

Sincerely,

Gary Chilton, President
