ARTICLE 3. To see if the town will vote to raise and appropriate the sum of **\$2,466,662** to defray town charges for the 2021 fiscal year. The Select Board proposes the following budget:

1. Executive	\$228,086
2. Election/Registration/Vital Statistics	17,430
3. Financial Administration	88,100
4. Revaluation of Property	16,000
5. Legal Expenses	5,000
6. Personnel Administration	17,000
7. Planning and Zoning	2,200
8. General Government Buildings	17,025
9. Cemeteries	27,600
10. Insurance	68,430
11. Regional Associations	6,100
12. Police	413,709
13. Ambulance Service	38,000
14. Fire	67,500
15. Building Inspection	15,400
16. Emergency Management	250
17. Hydrant & Forest Fire Expense	4,100
18. Dispatching for Fire, Police & Ambulance	50,000
19. Highway Administration	23,750
20. Highways and Streets	734,145
21. Road Projects	114,412
22. Street Lights	10,000
23. Solid Waste Collection	216,000
24. Solid Waste Disposal	63,310
25. Health Agencies	8,910
26. Animal Control	500
27. Welfare	25,500
28. Recreation Commission	20,971
29. Library	165,174
30. Patriotic	1,500
31. Conservation Commission	500
32. Principal Long-term debt	0
33. Interest Long-term debt	0
Total:	\$2,466,662

This budget is exclusive of other warrant articles.

The Select Board (3-0) recommends this appropriation.

This appropriation less corresponding anticipated revenues equates to approximately \$4.48 of the town's projected tax rate.

ARTICLE 4. To see if the town will vote to raise and appropriate the sum of **\$257,500** to be placed in existing town capital reserve and general trust funds, pursuant to RSA 35:1 and RSA 31:19-a as follows:

RSA 35:1 funds:

\$15,000	Town Facilities Maintenance Fund created in 2015.
\$10,000	Revaluation Fund created in 1993.
\$75,000	Highway Equipment Fund created in 1987.
\$55,000	Transportation Improvement Fund created in 2006.
\$50,000	Fire Department Equipment Fund created in 2017
\$25,000	Bridge Capital Reserve Fund created 1994.
\$5,000	ADA Access Fund created in 2003.
\$5,000	Police Equipment Fund created in 2011.
\$5,000	Gravel Pit Reclamation Fund created in 2012.

RSA 31:19a funds:

\$10,000	Town Hall Repair Fund established in 1996.
\$2,500	Library Building Repair Fund established in 1992.

The Select Board is named agent to expend for the bridge fund, the town hall repair fund, the library building repair fund, the revaluation fund, the transportation improvement fund, the police equipment fund, the facilities maintenance fund, fire department equipment fund and the highway equipment fund. The Select Board (3-0) recommends this appropriation. This appropriation equates to approximately \$0.83 of the town tax rate.

ARTICLE 5. Shall the Town vote to raise and appropriate the sum of eight thousand five hundred dollars (\$8,500) to help support the home health, maternal and child health, and hospice care provided in patients' homes and in community settings by **Visiting Nurse and Hospice of VT and NH** (by petition). This appropriation equates to approximately \$0.03 of the town tax rate. The Selectboard (3-0) does not recommend this article.

ARTICLE 6. To see if the town will direct the select board to appoint a committee to continue the KUA/Plainfield study. The charge to this committee shall be to meet with representatives of the KUA administration and maintain an ongoing review of the relationship between the academy and the town, including any agreement pursuant to RSA 72:23, and to report its findings at next March's annual town meeting.

ARTICLE 7. To see if the town will vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield voters to advise the select board and other officers of the town in the prudential affairs of the town.

ARTICLE 8. To see what action the town will take with respect to the reports of town officers.

ARTICLE 9. To transact any other business that may legally come before this meeting.

A True Copy Attest:

Robert W. Taylor
Eric R. Brann
Ron C. Eberhardt

Plainfield Select Board

CERTIFICATE OF POSTING

We, the undersigned Select Board of Plainfield, hereby certify that on the 17th day of February in the year 2020, we posted a true attested copy of the within warrant at the Plainfield School, it being the place of meeting, and a like true and attested copy of said warrant at the Meriden Town Hall and the Plainfield Town Hall, said locations being public places in the Town of Plainfield.

Signed:

Robert W. Taylor
Eric R. Brann
Ron C. Eberhardt

Personally appeared before me the above named, Robert W. Taylor , Eric R. Brann, Ron C. Eberhardt, the Select Board of Plainfield and took oath the foregoing statement is true.

TOWN MEETING MINUTES

March 14, 2020

Plainfield, New Hampshire

The annual meeting for the Town of Plainfield began at the Plainfield Elementary School on Bonner Road on Tuesday, March 10, 2020. Moderator Paul Franklin opened the meeting at 8:00 am with the reading of Article 1 and the posting certifications. Stephen Halleran made a motion to dispense with the reading of the entire warrant, seconded by Rob Taylor. A unanimous voice vote in the affirmative followed and the polls were declared opened.

ARTICLE 1. To choose by ballot: One Select Board member for three years, One Trustee of the Trust Funds for three years, One Library Trustee for three years, One Cemetery Trustee for three years, One Supervisor of the Check list for six years, One Moderator for two years and any other necessary town officers.

Number on Check list: 1709 Same Day Registrants: 5
Number of Regular Ballots Cast: 592 Number of Absentee Ballots Cast: 31
Percentage of Voting: 36%

Town Moderator for two years:

Paul Franklin 509

Paul Franklin was declared elected.

Cemetery Trustee for three years:

Bradford Atwater 451

Bradford Atwater was declared elected.

Select board Member for three years:

Ron C. Eberhardt 345

Marc Morgan 215

Ron C. Eberhardt was declared elected.

Trustee of the Trust Funds for three years:

Ed Stansfield 484

Ed Stansfield was declared elected.

One Library Trustee for three years:

Rosemary Mills	326
Beverly Widger	215

Rosemary Mills was declared elected

One Library Trustee for one year:

Adrienne W. Cedeno	320
John Hendrick	207

Adrienne W. Cedeno was declared elected.

The moderator closed the polls at 7pm. Rob Taylor made a motion to recess the Town Meeting, seconded by Michelle Marsh and a unanimous voice vote was in the affirmative. The moderator announced the results at 9:34 pm and recessed the meeting until Saturday, March 14, 2020 at 10am.

Alice Eberhardt was sworn into office on 3/13/2020
Adrienne Cedeno and Rosemary Mills were sworn into office on 3/16/2020
Paul Franklin and Edward Stansfield were sworn into office on 3/18/2020
Bradford Atwater was sworn into office on 3/19/2020
Ron Eberhardt was sworn into office on 3/20/2020
All officials were sworn in by Town Clerk, Michelle Marsh at the Town Office.

SPECIAL ANNOUNCEMENT:

After conferring with State of New Hampshire officials, being mind full of the recommendations of federal health agencies relative to COVID 19, and with input of the selectboard and other local officials the moderator pursuant to RSA 40:4, postpones the Plainfield Town Meeting until 10:00am Saturday June 13th 2020 at the Plainfield School.

In the event the COVID 19 situation has not improved sufficiently to allow for a safe town meeting on June 13th a determination will be made at that time about a subsequent date.

Questions can be addressed to Moderator Paul Franklin at 298-8519.

*Stephen Halleran
Town Administrator*

At the May 20th Select Board meeting, the moderator announced, due to ongoing COVID 19 issues, his decision to postpone the meeting again until 10:00am Saturday, July 11th 2020 with the location and details to be determined.

Plainfield Voters

Town Meeting

The postponed March 14th business portion of town meeting will reconvene on **Saturday July 11th at 10:00am at the Smith Auction Gallery 1064 Route 12A in Plainfield Village**. It will be held outside under the Smith's two large tents.

To address COVID-19 concerns and provide as safe a meeting venue as possible: 1) we will request that masks be worn (masks will be provided if you need one); 2) pre-meeting sanitizing will be done and hand sanitizer will be available; 3) seating will be configured to allow for social distancing; 4) cold water and bathrooms will be available but there will be no concessions or child care provided; and 5) meeting procedures will be expedited to reduce overall meeting time.

Please bring your 2019 Town Report that contains the warrant to be covered (also posted at www.plainfieldnh.org). There are eight articles to complete; four of them are procedural and can be dealt with in moments. With the endorsement of the library trustees, building committee and select board, it is the intention to amend the Meriden Library replacement article to zero dollars, putting off any substantive decision to 2021 or later. The Board of Selectmen also intends to amend the town budget article to reflect current conditions and the capital reserve funding will be held as proposed. The resulting 2020 tax rate is projected to be smaller than the 2019 tax rate (\$26) which was smaller than the 2018 tax rate (\$26.90).

While we plan for the meeting venue to be as safe as possible, we understand if there are those who don't feel they can attend, our goal is to meet the statutory requirement to hold town meeting, obtain necessary approval for more routine town spending and to push into the future new proposals and new ideas to a time when we can all feel safe gathering and debating these issues.

Fall Elections

We will be holding two traditional ballot elections this fall with all day voting. However, anyone concerned about COVID 19 may vote via absentee ballot. Please call the town office (469-3201) or e-mail our Town Clerk mmarsh@plainfieldnh.org for the details.

We appreciate your patience and understanding in this most difficult year.

Paul Franklin
Town Moderator

Robert Taylor, Ron Eberhardt, Eric Brann
Plainfield Selectboard

On Saturday, July 11, 2020 Moderator Paul Franklin re-opened the twice postponed town meeting at the William A. Smith Auction Gallery under the big tent located at 1064 Rte 12A in Plainfield Village at 10:00am. The meeting began with a salute to the flag and a moment of silence for all community members we have lost in the past year.

Moderator Franklin introduced the panel and explained Select board member, Ron Eberhardt's absence was due to his personal health concerns over COVID 19 but he asked the moderator to express to the crowd his belief that we were carrying on the meeting in the safest way possible given the circumstances.

The moderator announced all articles would be voted on via voice vote; however, if the outcome is undeterminable we would vote by a hand count or paper ballot.

Stephen Taylor made a motion to dispense with the reading of the entire warrant and proceed to Article 3. His motion was seconded by Lee Oxenham and passed unanimously by a voice vote.

ARTICLE 2. The moderator recognized Jeanne Woodward-Poor who offered the following resolution and moved its adoption: That the town vote to raise and appropriate the sum of **\$0.00** for the replacement of the Meriden Library building for budget year 2020.

The motion was seconded by Jennifer Lenz.

Jeanne Woodward-Poor explained that due to COVID 19, the library trustees and library building committee all agreed this is not the right time to build the new library.

The floor was open for discussion.

A voice vote was taken.

The "ayes" were unanimous.

It was a vote in the affirmative, the resolution was adopted and so declared.

ARTICLE 3. The moderator recognized Stephen Halleran who offered the following resolution and moved its adoption, that the town vote to raise and appropriate the sum of **\$2,410,000** to defray town charges for the 2020 fiscal year. The select board proposes the following budget.

1. Executive		\$231,350
2. Election/Registration/Vital Statistics		20,930
3. Financial Administration		88,350
4. Revaluation of Property		12,000
5. Legal Expenses	7,000	5,000
6. Personnel Administration		12,500
7. Planning and Zoning		1,500
8. General Government Buildings		17,025
9. Cemeteries	34,600	29,600
10. Insurance		68,430
11. Regional Associations		6,100
12. Police	422,340	412,340
13. Ambulance Service		38,000
14. Fire		67,500
15. Building Inspection		15,400
16. Emergency Management		250
17. Hydrant & Forest Fire Expense		4,100
18. Dispatching for Fire, Police & Ambulance		43,000
19. Highway Administration		21,050
20. Highways and Streets	747,035	741,743
21. Road Projects	120,165	108,836
22. Street Lights		10,000
23. Solid Waste Collection		180,000
24. Solid Waste Disposal		56,810
25. Health Agencies		13,610
26. Animal Control		500
27. Welfare		25,500
28. Recreation Commission	21,471	15,471
29. Library		161,105
30. Patriotic		1,500
31. Conservation Commission		500
32. Principal Long-term debt		0
33. Interest Long-term debt		0
	Total	\$2,449,621 \$2,410,000

The motion was seconded by Eric Brann.

The moderator turned the floor over to Steve Halleran who explained which line items in the budget had been decreased to create the new appropriation request.

The floor was open for discussion.

A voice vote was taken.

The “ayes” have it.

It was a vote in the affirmative, the resolution was adopted and so declared.

ARTICLE 4. The moderator recognized Robert Taylor, who offered the following resolution and moved its adoption. That the town vote to raise and appropriate the sum of **\$257,500** to be placed in existing town capital reserve and general trust funds, pursuant to RSA 35:1 and RSA 31:19-a as follows:

\$15,000	Town Facilities Maintenance Fund created in 2015.
\$10,000	Revaluation Fund created in 1993.
\$75,000	Highway Equipment Fund created in 1987.
\$55,000	Transportation Improvement Fund created in 2006.
\$50,000	Fire Department Equipment Fund created in 2017
\$25,000	Bridge Capital Reserve Fund created 1994.
\$5,000	ADA Access Fund created in 2003.
\$5,000	Police Equipment Fund created in 2011.
\$5,000	Gravel Pit Reclamation Fund created in 2012.
RSA 31:19a funds:	
\$10,000	Town Hall Repair Fund established in 1996.
\$2,500	Library Building Repair Fund established in 1992.

The select board is named agent to expend for the bridge fund, the town hall repair fund, the library building repair fund, the revaluation fund, the transportation improvement fund, the police equipment fund, the facilities maintenance fund and the highway equipment fund.

The motion was seconded by Steve Halleran.

A voice vote was taken.

The “ayes” have it.

It was a vote in the affirmative, the resolution was adopted and so declared.

ARTICLE 5. The moderator recognized Eric Brann who offered the following resolution and moved its adoption. That the town vote to adopt the provisions of RSA 72:28-b, All Veterans’ Tax Credit. If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from services and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted, the credit granted will be \$500, the same amount as the standard or optional veterans’ tax credit voted by the Town of Plainfield under RSA 72:28. The motion was seconded by Steve Taylor.

A voice vote was taken.

The “ayes have it.

It was a vote in the affirmative, the resolution was adopted and so declared.

ARTICLE 6. The moderator recognized Stephen Halleran who offered the following resolution and moved its adoption. That the town direct the select board to appoint a committee to continue the KUA/Plainfield study. The charge to this committee shall be to meet with representatives of the KUA administration and maintain an ongoing review of the relationship between the academy and the town, including any agreement pursuant to RSA 72:23, and to report its findings at next March's annual town meeting.

The motion was seconded by Eric Brann.

A voice vote was taken.

The “ayes” have it.

It was a vote in the affirmative, the resolution was adopted and so declared.

ARTICLE 7. The moderator recognized Robert Taylor who offered the following motion and moved its adoption: That the town vote to instruct the moderator to appoint a finance committee (advisory only) of six Plainfield voters to advise the select board and other officers of the town in the prudential affairs of the town.

The motion was seconded by Rod Wendt.

A voice vote was taken.

The “ayes” have it.

It was a vote in the affirmative, the resolution was adopted and so declared.

ARTICLE 8. Moderator Franklin recognized Eric Brann who offered the following motion and moved its adoption: That the town vote to accept the reports of town officers as they appear in the 2019 annual report, subject to any corrections. A certified copy to be kept by the town clerk.

The motion was seconded by Steve Halleran.

A voice vote was taken.

The “ayes” have it.

It was a vote in the affirmative, the resolution was adopted and so declared.

ARTICLE 9. Moderator Franklin recognized Lee Oxenham who offered the following resolution and moved its adoption: That the Town of Plainfield hereby

call upon our state and federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety.

We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely.

The record of the vote approving this article shall be transmitted by written notice to Plainfield's State Legislators, to the Governor of New Hampshire, to Plainfield's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by Plainfield's Select Board, within 30 days of this vote. (Article by Petition)
The motion was seconded by Rod Wendt.

The floor was opened and discussion ensued.

A vote by paper ballot was taken.

Yes: 77 No: 53

It was a vote in the affirmative, the resolution was adopted and so declared.

Eric Brann moved to adjourn the meeting, it was seconded by Stephen Taylor and a unanimous voice vote in the affirmative followed. Moderator Franklin declared the meeting closed at 11:20 am.

Respectfully Submitted,

Michelle Marsh
Town Clerk

REPORT OF THE TOWN CLERK – 2020

The Real ID conversion got interrupted when DMV offices were forced to close due to the pandemic. Homeland Security has extended the compliance date for flying within the USA to 10/01/2021. Driver’s License transactions are now being handled by appointment only. Go to www.nh.gov/dmv for more information.

We were fortunate enough to keep our doors open all through 2020 and plan to continue offering full services going forward. Any changes will be posted on our town website www.plainfieldnh.org

Thank you all for your continued cooperation and doing your part to help keep our community safe. Please call the office anytime with questions or concerns. I am honored to serve as your town clerk.

Michelle Marsh, Town Clerk

Pulpwood, cords	0
Whole tree chips, tons	1,574.13

Respectfully Submitted,

Judith A. Belyea,
Yield Tax Agent

SELECT BOARD REPORT

Perhaps the most difficult year in anyone's memory has come to an end for the Town of Plainfield and as is customary, here is an update of the Board of Selectmen's activities for the previous twelve months. Like every year, many issues were addressed, and decisions made. Unlike other years, the Town of Plainfield faced a global pandemic that brought challenges never seen before in our corner of the world. In the interest of being concise, we are listing our most notable work here in bullet form. For your information, our complete meeting minutes are available on the Town's website: www.plainfieldnh.org or in hard copy at the Plainfield Town Offices in Meriden.

- COVID19 Pandemic- A dominant issue for 2020 has been the onset of a global health crisis. Confirmed cases in Plainfield quickly made it clear that Plainfield would not escape the impacts of the virus that has swept the USA and the rest of global civilization. The move to remote meetings (of the Selectboard and other boards and committees) was one consequence. Our choice was to move to the Zoom web meetings platform, and for the most part we have been successful in this change. In fact, we have noticed an uptick in the average attendance for most meetings and people have appreciated being able to be involved from the comfort of their homes.
- Town Meeting Delays- The onset of COVID19 was also unfortunate in timing for the Town Meeting. We were able to hold the Tuesday voting/ election, however by the subsequent Saturday it was determined to be too risky to have everyone in the Plainfield School gymnasium. Months of delays followed with a decision finally coming to have the traditional Town Meeting on July 11th at William A. Smith's Auction tents in Plainfield Village. The Selectboard wishes to thank the Smiths for their accommodations and we were pleased with everyone's patience and cooperation through the delays and execution of the eventual meeting. It will certainly be a unique memory for all that attended the July event. The entire warrant was disposed of in about one hour.
- Solid Waste Committee- At the direction of the Selectboard, the Plainfield Solid Waste Committee was refreshed and took on the task of reviewing the services offered and the provider's contract. It was determined that the community is generally supportive of our existing curbside trash and recycling programs. A request for bids was issued, however the only submission that we received was from Casella Waste Services, our existing provider. The Solid Waste Committee made the recommendation

to ultimately renew our contract even with a significant increase in cost. It is clear that Plainfield will have to pay more for the same services. This is due largely to the collapse in the value of recyclables and increased trucking and tipping costs.

- Increased Trails Usage Issues- As a result of the increased usage related to the COVID19 crisis, Plainfield has had some issues arise related to the Town's trails system. Examples of these issues include graffiti, un-permitted burning, dogs out of control, and parking congestion to name a few. The Selectboard met with the trail users, land-owners and easement holders and has advanced some preliminary solutions. The first idea is improved signage at trailhead parking areas. Another idea is to improve the navigational signage along the trails. We will continue to monitor the usage issues and to coordinate with all involved to protect this incredible resource. We appreciate the hard work of our trail volunteers and trail boss, Bill Knight, who have helped to create this extensive network of well-maintained outdoor recreation options.
- Facemask Ordinance- On 8/26/2020, Plainfield became one of the first ten communities in NH to mandate the use of facemasks. It became clear that this simple precaution could have an impact on the transmission of the COVID19 virus. We have been happy to see widespread conformance with this new ordinance and have also heard positive feedback from local businesses who are happy to point to the Town as being responsible for the enforcement and compliance.
- Employee Handbook- The Selectboard was happy to work with a local HR expert, Bev Widger, on an update to our employee handbook. This long overdue project brought us up to current employment standards and implemented some key policies that the board felt were important to the hiring and retention of our most valuable asset, our employees.
- Facilities Upgrades and Improvements- Our facilities director, Brad Atwater, successfully oversaw some significant upgrades to our Town buildings. These included lighting upgrades as well as insulation, and weatherization projects. The Selectboard also created a new Building and Facilities Committee to work directly with the Facilities Manager. They will help set priorities and act as a consulting group for the Selectboard as well. We would like to thank the members of this new committee: Jody Perkins, Doug Plummer and Todd Godfrey. We look forward to using their combined, significant knowledge to help us keep up with our many different buildings and facilities.
- Highway Truck Delivery- The long overdue delivery of a new 24,000 lb GVW International 4X4 truck was made to the

highway department. The delay was largely due to supply chain issues at manufacturers and the installation of the plow and body equipment. We are happy to report that this truck is now a primary implement in our road maintenance program, particularly in the winter for the application of road salt.

- Elections Trailer- The Selectboard approved the purchase and acquisition of a new trailer to facilitate the set-up of a mobile election storage unit. We decided that all the associated gear (polling booths, barricades, etc.) for the elections should be kept together in an easily transportable and dry storage system. This year was a particular challenge for us because we had four elections and the COVID19 pandemic made everything more difficult.
- Meriden Town Hall Heating System- The Selectboard has approved the installation of a new heat and cool system at the Meriden Town Hall. This decision was the result of many meetings and extensive consultation with our facilities manager, our energy committee, and our finance committee. This decision is consistent with our “Ready for 100” renewable energy commitments as well as our desire to make our Town Office more comfortable and efficient. The system will likely be installed in the spring of 2021.

Finally, the Selectboard would like to thank everyone who serves the Town in all roles. From the members of our various boards and committees, to the Police, Fire and Rescue personnel who answer our calls for help. It is this volunteer spirit that means so much to Plainfield. A few people to specifically call out include Stephanie Schell for her work as our Human Services Director/ Health Officer during the still ongoing COVID19 pandemic health crisis. We would also like to acknowledge the work of Michelle Marsh, our Town Clerk, and Steve Halleran, our Town Administrator for their dedication in providing uninterrupted services to our citizens during the health emergency and also for piloting us through four elections and a summer Town Meeting safely and efficiently. As always, please join us at one of our meetings on the first and third Wednesdays of each month. Until we make it through the COVID19 state of emergency, our meetings will continue to be held via the Zoom web meetings platform. Check the Town’s website for the necessary login information. You can also call the Town office at 603-469-3201 during weekday business hours to ask a question or express an opinion. If you are interested in serving the Town on a board, committee or in one of our many volunteer capacities, there is always a need. We are hoping for a safe and successful 2021 for Plainfield!

Select Board *Rob Taylor, Chairman, Eric Brann, Ron Eberhardt*

REPORT OF THE TOWN ADMINISTRATOR

As directed by the select board the town office worked on the following projects during 2020:

COVID 19: The world wide pandemic dominated everything about 2020. Plainfield has been fortunate to have a very deep team in the areas of Human Services, Police, Fire and EMS. Plainfield was quick to adopt a mask ordinance. Community outreach and connecting our local government with access to state and federal resources was a constant theme all year. In the midst of this crisis we were required to hold four elections this year including a presidential election. The extraordinary work of Town Clerk Michelle Marsh cannot be overstated this year.

Meriden Covered Bridge: In early spring, realizing that the summer was going to be very uncertain with respect to COVID, the select board, after meeting directly with Modern Protective Coatings, authorized the cleaning, repair and recoating of the Meriden Covered Bridge still super structure as our annual road project. Modern Protective Coatings too was facing uncertainty with their work schedule and were able to provide favorable pricing if they could start in late spring. The risk was that we would get the bridge closed and torn apart and be shut down due to COVID. Thankfully, that did not happen. The work now completed will insure that the bridge remains a part of our community for decades to come.

Solid Waste Group: The office has provided support for a newly formed committee working on reviewing the town's existing curbside collection based solid waste management plan. In 2020 this group tested the regional market for other options for refuse collection and recycling processing. Finding no other viable option the town remains with Casella Waste Management.

Town Facility Management: The Selectmen appointed a town's building committee to work with Facility Manager Brad Atwater on the management of town buildings. Significant weatherization and energy improvements were made to the Plainfield Fire Station, the Meriden Fire Station, and the Plainfield Library. In the case of the two fire stations our private Fire Associations helped to cover the cost of these improvements. The town also took advantage of funding opportunities from utility companies for these upgrades.

Employee Handbook: Working with local resident and consultant Bev Widger the Select board authorized a complete rework of the town's employee policies and handbook. The project was completed in December. A second phase of the project will continue into 2021 and will include a review of employee compensation.

Meriden Library Replacement Options: The Meriden Library Building Committee has continued to work on options for replacement of the existing Meriden Library building. A second vote on the project is planned for the 2021 town meeting.

Town Administrator, *Stephen Halleran*

ZONING BOARD OF ADJUSTMENT

During the year the zoning board **GRANTED** the following appeals:

- Case 2020-01** Cannon, Andrea Accessory Apartment 16 Westgate Rd 108-25
- Case 2020-02** George, Victoria Accessory Apartment 23 Freeman Rd 259-23
- Case 2020-03** Taylor, Stephen Accessory Apartment #166 Main Street 101-19
- Case 2020-04** Sheehan, James Accessory Apartment #82 True Rd 214-18
- Case 2020-05** Lundrigan Patrick, modification of case 17-02 to include auto repair at #235 Rte 120 226-10.1
- Case 2020-07** Morgan, Marc Accessory Apartment #290 Porter Rd 223-12
- Case 2020-09** School House Condos LLC, multi-family building #21 Bean Rd 104-6

Applications Continued into 2021

- Case 2020-10** Stark, Specialty ammo business, #168 Croydon Turnpike 227-17

Applications withdrawn:

- Case 2020-06** Venditto, Michael, Event center at #393 Bean Road 250-09

Applications Extended:

- Case 2020-08 Landmark Property Management case 18-06** one year extension requested, six month extension granted. Approval now expires April 16th 2021

Submitted,

Richard Colburn, Chair

Zoning Board of Adjustment

PLANNING BOARD

During the year the planning board approved the following applications:

Subdivision: None

Annexation:

Rondeau, Armand & Patricia	6.6 acres to Daniel and Diane Rondeau. 253-13
Fauver & Sanzone	2.86 acres annexed to land of Kuwayama 214-4.
School House Condos LLC	1.0 acres to 19 Bean Road Associates 104-05

Site Plan Review:

Cloud /Tenney	Former pottery studio to three unit apartment building 104-26 (July 2019)
---------------	---

Landmark Property Management	Application rejected by the Planning Board insufficient information. 218-11
------------------------------	---

School House Condos LLC	Former Duckworth Museum to three unit condominium complex. 104-06
-------------------------	---

Lot Merger:

Kuwayama, David	Lots 214-4 and 214-5 merged at applicant's request.
-----------------	---

Scenic Road Hearings:

Everysource Energy	Kenyon, Daniels and lower River Road
Liberty Utilities	Pierce, Black Hill and River Road

Submitted

Plainfield Planning Board

ZONING ADMINISTRATOR'S REPORT

Zoning Administrator: Stephen Halleran 469-3201

Building Inspector: David Lersch 381-1929

Permits for the following projects were issued in 2020:

02	New single family residences	03	Renewals
06	Accessory Dwelling Unit	00	Multi family
03	Institutional projects	12	Barns/Sheds/Outbuildings
06	Garages	02	Electrical upgrades
13	Renovations/Misc.	03	Additions
08	Decks/porches	08	Solar panels
04	Generators	00	Commercial Projects

Permit total= 70

CONSERVATION COMMISSION

2020 saw relatively little activity from the conservation commission with no in person meetings due to the pandemic. We are encouraging the town to use Beaver Deceivers whenever possible to control the buildup of water near our roads due to the ever industrious beavers. Beaver dams provide flood and erosion control on our waterways by slowing the flows of our increasingly severe flood events such as the Christmas rain/melt of this past year. Beaver ponds also provide critical habitat for plants and animals - wetlands like these are the most productive of the natural resources in our town. We continue to provide information and support to individual landowners as questions about land use arise. The fund balances are healthy, which could mean that we need to seek out projects that protect our natural resources. Input on possible projects from folks in town would be appreciated.

RECREATION COMMISSION

Due to the unfortunate COVID-19 Pandemic, much of our recreation program was canceled or limited, keeping the safety and health concerns of all students, coaches, and family as our top priority. Throughout the year, I met with local officials and other area recreation department heads to assure all recreation decisions made, were consistent and in the best interest of our Plainfield residents.

We finished the 2019-2020 basketball season in February. The 1st and 2nd grade group of 13 students worked on learning basic skills at the PES gym. Our 3rd and 4th grade boys group of 11 and a group of 11, 3rd and 4th grade girls, practiced and played several games with local towns during the season. Focus was put on individual skills, playing as a team, and sportsmanship. Practices and home games were held at PES. Both the 3rd and 4th grade boys and girls ended the season with a tournament in Hanover. Throughout the spring and summer we unfortunately had to cancel our baseball and T-ball programs along with our annual fishing derby, Fourth of July parade and activities, and then Spirit Day.

The soccer program in the fall included the 3rd and 4th grade boys' team made up of 18 boys and the 3rd and 4th grade girls' team made up of 17 girls. The 1st and 2nd grade had three teams made up of a total of 23 players. We had 11 kids that participated in the kindergarten group. All teams this year were an in house program and practiced in Plainfield working on individual and team skills with some scrimmages.

In October, I had the pleasure to work with our Human Services Director, Stephanie Schell, who led the organization of a safe alternative to the towns traditional door to door trick or treat. Many volunteers came together to help provide a drive through trunk or treat at the Plainfield School where many children enjoyed a safe drive through to receive treats on Halloween. It was fun to see people from the community set up their stations, and to see many children dressed up in costumes. Thank you to all that made this a successful event.

The 2020-2021 basketball season was unfortunately canceled due to COVID-19 safety reason.

I would like to thank our many volunteer coaches, officials, and helpers that provide an opportunity for our local youth to participate in the sports programs that we offer. It is a combination of many volunteers that make these programs and events available and successful.

As we begin a new year, I reflect on the challenges that we have faced in the past year, and how we have come together as a community with patience and understanding. If we have learned anything this past year, it would be don't take anything for granted. Moving into 2021 our hope is that we can soon move ahead with all the programs that we have had in the past. We will take on the challenges, hopefully better prepared. I look forward to a healthier and safer 2021.

Respectfully submitted,
Daniel P. Cantlin,
Recreation Director

PLAINFIELD LIBRARY SYSTEM TRUSTEE REPORT

Oh my goodness, what a year 2020 was! We have seen so much turmoil and experienced so much stress this year, but, through it all, our wonderful library staff has worked hard to meet the town's needs. Yes, the libraries did close for a period of time, but they opened back up with curb-side pickup and then visits by appointment as soon as our director Mary King felt it was safe to do so. Under Mary's leadership we were able to carry out our mission to "provide access to information and materials (both print and non-print) to people of all ages in the community in order to meet their recreational, informational, and educational needs." On behalf of all the Library Trustees, I would like to thank Mary and her staff for all their work this year to maintain our libraries in as safe a manner as possible. Kudos to all of them!

Last year's chair Richard Davidson ended his report with a statement about the majority vote by the trustees "to support community efforts to raise the necessary funds to build a new Library facility in Meriden." As I write this on January 16, the trustees are thrilled and grateful to report that this looks like it has happened; our financial goal is within reach. We are looking forward to an affirmative vote at town meeting to build a new Meriden Library **with no dollars raised by taxation**. Many committees have worked hard for many years, and scores of townspeople have been generous with their time and money to see that this will occur. The work has not always been easy, but it has been worth it.

It is still cold and dark here in New Hampshire, but spring always gets here along with town meeting and seeing neighbors again. This year I especially look forward to seeing you all to thank you for your generous support of this building project. Libraries are for everyone.

Respectfully Submitted,
Jeanne Woodward-Poor, Chair

DIRECTOR'S REPORT

Our libraries wrote a new chapter in providing services this year! Before the pandemic was declared in March, who could have imagined closing the libraries to patrons, quarantining books, offering curbside pickup, and conducting virtual programs? Those practices became our new reality and how we successfully managed the libraries for most of 2020.

In the first months of 2020, circulation numbers at both libraries were higher than the previous year and programs and activities for children and adults continued as normal. With funds from the Nancy Liston Memorial Fund given by the Friend of the Philip Read Memorial Library, several special programs were held at Philip Read Memorial Library, including Online Security Basics and instructional classes in Mah Jongg.

For the safety of patrons and staff, and in compliance with the Governor's "Stay at Home" order, the Meriden Library and Philip Read Memorial Library closed to the public on March 17, 2020. To get library materials out to patrons, curbside pickup was coordinated for March 23rd and 24th. Almost five hundred items were circulated.

Within days of closing the buildings, we adapted our services and hosted our first virtual program; on March 26 the Philip Read Memorial Library book group held their discussion via Zoom. Our book groups, Storytime and Cookbook Club held regular meetings virtually for the remainder of the year. Special Summer Reading and adult programs were also offered.

One essential service that quickly became apparent was the need for public internet access. The libraries' Wi-Fi connection was set so that the public could access free internet outside the building. When we learned that the connection at Philip Read was performing slowly, new equipment was installed to improve internet access. Our access became a lifeline for many community members who were working from home, learning virtually or connecting with healthcare providers.

During the period March through June, when the libraries were not able to circulate materials, we worked to inform patrons of the many electronic resources available to them. Information and opportunities for training were provided for New Hampshire Downloadable Books, Kanopy, New York Times Digital, ProQuest Ancestry databases, and Tumblebooks. For enhanced access, the digital media service, Hoopla, was added in May and proved to be immensely popular. This added service was possible because of the generous funding from the libraries' Friends groups, the Friends of the Meriden Library and the Friends of Philip Read Memorial Library.

In May, the Plainfield Public Libraries received a CARES grant in the amount of \$3,500. The funds were used for improved digital equipment and resources, programming, along with supplies for community StoryWalks®.

On June 1st, the libraries began offering curbside pickup of library materials. Library staff worked hard to process the thousands of items that were returned during the first weeks of June, and to assist patrons to again check out books, periodicals and DVDS.

Even with the doors of the libraries closed, fifty-six children participated in a summer reading program. Again, with the support of the Friends groups, programs and reading incentives were offered. Weekly, children received “take and make” with projects and challenges that supported literacy.

In August, our first StoryWalk® was installed at the Meriden Bird Sanctuary. In times of social distancing, the StoryWalk® allowed us to promote literacy, exercise, and nature for people of all ages. In September, the second walk was installed at the Corey Taber Memorial Park in Plainfield Village. Combined, over two hundred individuals participated in this fun activity.

This year the town libraries received its first award from The Elizabeth Sweet Dunlap Fund. The libraries will receive an annual award to provide programs regarding historical events in New Hampshire or New England. The donor also requests that a Fall Foliage program with food be held for senior citizens of Plainfield. In October, working with Stephanie Schell, the Plainfield Libraries sponsored a senior luncheon at Riverview Farm. Because of the restrictions in place due to COVID-19, Stephanie coordinated a special drive-thru event. We are very grateful for her time and effort.

In reviewing final statistics for 2020, I am proud to report that the libraries completed the year with only a minimal decrease in the number of items circulated. This is incredible since we were closed for a ten-week period. Circulation, as in past years, was predominantly print materials. Electronic resources account for approximately twenty percent of total circulation. Visits were of course down and, given the circumstances of this year, cannot be compared to previous years. I credit our successful year on how we adapted our services and to the staff who thought outside the box to deliver what patrons wanted the most: books!

It's necessary to end this report by expressing my thanks to the dedicated people who manage the Plainfield Public Libraries. First to the staff who worked cooperatively with the goal of providing the best possible service to our patrons. Special thank must go to Library Assistant, Terri Crane, who developed the very popular “Masked Reads” program, coordinated “pop-up” outdoor libraries and strengthened our communication with the weekly newsletter. I am grateful to the Library Board of Trustees, Adrienne Cedeno, Jennifer Lenz, Rosemary Mills, Judy Ptak, and Jeanne Woodward-Poor, who

devote countless hours of their time to offer the governance necessary to lead our libraries forward. And thanks also go to our Friends groups who offer the financial support to enhance existing resources to make our libraries even better.

Respectfully submitted,
Mary S. King, Director

Meriden Library Building Project Frequently Asked Questions

proposed project sketch courtesy of GeoBarns

Remind me: Why are we talking about a new Meriden Library?

At Town Meeting 2017, a warrant article to defund the Meriden Library was voted down 225 to 29. With this show of overwhelming support for the Meriden Library, the latest iteration of the Meriden Library Building Committee was formed to make a recommendation for how to move forward.

Seeing as the existing Meriden Library is not ADA-compliant, the building committee was tasked with proposing a plan to make the Meriden Library a building **all** community members can access and enjoy. This is the second half of a two-phase project to bring both of our wonderful village libraries into the 21st century — a goal that originated in the 1990's. Hazardous materials, accessibility issues, and energy inefficiencies are all issues facing the current Meriden Library building. Our proposed building design is ADA-compliant, is in keeping with Plainfield's Ready For 100 energy goals, and **we plan to pay for it entirely with donations and existing funds.**

What are the overall tax implications for me, specifically, if this project is approved at Town Meeting?

The Library Trustees are putting forth a warrant article for **zero additional tax dollars** to be approved at the 2021 Town Meeting. This means we plan to raise the rest of the necessary funds independently to meet our \$1.15M budget. We currently have approximately \$1.12M toward this project in pledges and existing funds (as of January 19, 2021), and are well within reach of that goal. Thanks to the generosity of our friends and neighbors all around Plainfield, we will have an incredible gift — a town building and community hub that will last for generations!

Is this really the time for this type of project?

After COVID-19 hit, the Building Committee and Library Trustees voted unanimously to take this project off the table for the 2020 Town Meeting. We have used the intervening time to interview potential architects, look into additional design/build firms, and obtain an updated project cost estimate. This library represents an excellent value for the town, with low operating costs and accessibility for all residents, and we have a great deal of funding in hand now. We are in the process of putting together an incredible, experienced, and enthusiastic team of builders, engineers, and architects to bring this project to fruition. We feel it is important to give Plainfield taxpayers the opportunity to vote to move forward this year, with **no additional money required from taxation.**

Even in this strange year, we have heard from many people that our town's two libraries have been a vital resource and lifeline, providing a continued sense of community in an isolating time. Looking to the future, this library will be a gathering space for decades to come.

What work has been done on the project so far?

The current Meriden Library Building Committee was formed in 2017. In the intervening years, the group considered how best to make an ADA-compliant Meriden Library, assessed space and resource needs, sourced detailed design estimates from a variety of sources, created a building design and model, and worked with a design-build firm to come up with a realistic plan and budget. We have sourced two different cost estimates to confirm our budget. This budget includes all elements of building the new library, including demolition and abatement of the existing building, storage of materials, and construction and sitework for the new building. Simultaneously, the Meriden Library Foundation has raised a tremendous amount of money in pledges, donations, and through grants.

In 2020, we have worked hand-in-hand with the Library Trustees to gather updated information in a COVID-19 world, with the goal of presenting the best possible plan to the town in 2021. Our intent has always been to propose a building that we feel will best meet the needs of the town, and let the taxpayers vote on it.

This new building features a 30-person meeting room. Why do we need that?

In non-COVID times, the Meriden Library runs a number of popular programs for all ages, from after-school early release programs to Humanities Council events with guest speakers, plus book clubs, poetry evenings, puppet shows, storytimes, and more. This meeting room would allow the library to grow its roster of programs and have a permanent home for existing popular events, as well as to showcase local art now that the Duckworth Museum is no longer open. The Meriden Library also hosts a great deal of meetings and small community gatherings, from the Energy Committee to game times and knitting groups, and having a suitable, handicap-accessible space to do so is of utmost importance. This meeting room will also be accessible from a separate entryway, so it can be utilized outside of normal library operating hours.

I've been hearing a lot about this being a Ready For 100, energy-efficient building. What will the annual energy costs of the new building be? How do they compare to costs of the current building?

This is essentially the same building we proposed in 2018 as a Ready for 100 building, with a slightly different look; the only thing that has changed dramatically is the

financing, as the Meriden Library Foundation has raised significant funds over the last two years. This new Meriden Library will cost significantly less on a square foot basis than the existing building. It will have approximately the same operating costs of about \$8,000/year as the current building for a larger space. If approved, this would be poised to be the first town-owned Ready For 100 building in Plainfield.

In summary, the Meriden Library Building Committee was formed to look at the challenges presented by the existing library, and to make a recommendation to the town for how best to address those limitations. Building upon the work of previous study committees' efforts and conclusions, we have met regularly over the last 3½ years, investing a great deal of thought, research, and discussion into our proposal. The new library will eliminate the liabilities associated with the existing building, improve functionality, and minimize costs going forward. It will be a beautiful building that will serve the community safely and efficiently for decades to come.

The Meriden Library Building Committee:

Leeli Bonney, Terri Crane, Joe Crate, Shannon Decker, Bill Knight, Shawn Rogers, Suzanne Spencer, Library Trustee Liaison Jennifer Lenz

Advisors: Mary King, Brad Atwater, Steve Halleran

What will the new Meriden Library be like?

The Meriden Library Building Committee has been working hard since 2017 to create plans for a new facility that will meet the established needs of the town in a modern building while preserving the warmth and charm that we love in our existing building. Since this is a public project, we have given significant attention to ensure that the building and grounds are designed to be accessible, durable, easy to maintain, and exceptionally energy-efficient (using environmentally sustainable materials and methods), to maximize the value to taxpayers over the long term.

Here are some highlights of the new Meriden Library building:

- The new building will be on the site of the current library. It will be single-story, positioned on a slight rise above street level, with walkways leading to entries at grade level.
- The scale of the new building is appropriate for a public building in a rural New England village, with slightly larger surfaces and volumes than a house, but not overpowering to the neighborhood.
- A new meeting room will see regular use for library-sponsored activities. It is also designed so that it can be used for activities outside of library hours.
- The library building itself will provide a welcoming, comfortable experience for patrons. It will be well-lit using natural and (controlled) mechanical light. It will

be heated, cooled, and ventilated with equipment that is extremely energy efficient and more easily and cheaply maintained, using heat pumps and energy-recovery ventilators.

- The new building will include familiar materials and colors for siding, roofing, and interior finishes that will be selected for their aesthetics, durability, and ease of maintenance.
- The new building is sized to accommodate all of the existing functions of the current library and incorporates the necessary features to make the building safe, accessible to all, and compliant with all applicable building codes.
- The building includes spaces tailored to the needs of children, teens, and adults, and takes advantage of the beautiful outdoor area, as well.
- The entry lobby includes bathrooms and a kitchenette that allow for independent use without disturbing functions in either the library proper or the meeting room.
- Parking will be expanded to provide 18 parking spaces along the western side of the building, including ADA compliant parking spaces.
- To improve safety for pedestrians and vehicles, curbing and sidewalks will separate cars and people, and new sidewalks will lead from the street and parking areas to the main entrance.
- Energy-efficient exterior lighting will allow drivers and pedestrians to safely navigate parking areas and walkways.

PLAINFIELD POLICE REPORT

The Covid 19 world wide pandemic dominated the department's work in 2020. Our officers had to devote a lot of time and attention to new protocols for handling all of the various types of calls for service. The department has been able to continue most operations; many things just take more time now. Invaluable to the department has been the efforts of Human Service Director Stephanie Schell. Our public safety team's commitment to serving all the residents of our community remains unchanged in these very odd times.

The department spent the entire year with reduced staff and hiring new police officers is a challenge these days. This situation has been further complicated when at the very beginning of 2021 the Selectboard accepted the resignation of Chief Paul Roberts who served as Chief since 2010. Sargent Anthony "Tony" Swett is now serving as Interim Chief. The hope is to get back to two full time officers and two part time officers during 2021. Special thanks are due to residents Roland and Wanda Daniels. Roland is a retired police officer who has kept his certifications and has filled in a lot of shifts for us. Wanda is a retired police administrator who now works for us part time and is helping with the department's administrative work load.

Despite all that has gone on in 2020 the department handled 4,233 calls in 2020 as compared to 3,809 in 2019 and 4050 in 2018. A sampling of the call types can be found on the next page.

In closing, the Selectmen's office thanks Chief Roberts for his service. We offer our full support and assistance to Interim Chief Anthony Swett as he leads us through this period of transition.

Stephen Halleran-Town Administrator

PLAINFIELD FIRE DEPARTMENT

Chief's Report 2020

2020 was an interesting year to say the least. The Covid 19 pandemic has changed the way that we all go through our daily tasks. The wearing of masks turned out to be the most important way to help keep the virus from spreading through the community. All Fire Department calls and training have been conducted with masks and social distancing when possible. The Town was able to procure PPE for the fire department and it has been put to good use. Mask wearing was a little slow to be adopted at first but eventually all firefighters recognized the need to wear them and mask wearing became automatic at all department calls and training. The Plainfield Select Board was way ahead of the rest of the State when they adopted the Plainfield Mask Ordinance. Because of the ordinance, the Covid infection rate remained low in Plainfield through the end of the year. The virus put most department fundraising activities on hold. A drive through chicken BBQ was held in August and sold out quickly.

With the help of Brad Atwater, Plainfield Town Facilities Manager, several energy efficiency projects were completed at both stations during the year. The lighting at both stations was switched to LED technology and the upgrades were paid for by the two Volunteer Fire Associations. An air sealing project was completed at the Plainfield Station and the two entry doors were replaced. These two projects were paid for with a mix of rebates from the electric utility and town funds.

Several new firefighters joined the department during the year. The Fire Department roster now consists of 33 firefighters, 14 KUA Fire Brigade members, and 2 Fire Explorers. Firefighter Ryan Teffner received his Firefighter 1 certification in Keene and firefighter Will Forman received his Firefighter 1 and 2 certifications at the NH Fire Academy. Congratulations to both Ryan and Will.

2020 was a very busy year as the total number of calls was up over 25%. A two alarm structure fire in April on Colby Hill Rd was the largest incident of the year. Fire departments from nine towns helped battle the blaze on a sunny but windy spring day. Unfortunately, the home was a total loss. Several factors made it difficult to contain the fire. First, the Meriden covered bridge was closed while it was being sandblasted and painted requiring fire trucks to use Ladieu Rd to access the scene, adding more than ten minutes to the response time. And second, the lack of a reliable water supply required water to be hauled with tanker trucks to the scene.

Thank you to all firefighters and their families for their support throughout the year. Please make sure that your home has working smoke and carbon monoxide detectors. These devices save lives. Also, please make sure that your house number is visible from the street so that emergency responders can find your house quickly in the event of an emergency.

2020 Fire Department Run Summary

Motor Vehicle Accident	19	Chimney Fire	04
Structure Fire	01	Car Fire	01
Wildland Fire	03	Alarm Activation	32
CO Alarm	05	Powerline Problem	20
Road Hazard	07	Weather Event	01
Medical	02	Smoke Investigation	04

Mutual Aid Hanover	01	Mutual Aid Enfield	03
Mutual Aid Hartford	03	Other	13
Total Runs			133

Respectfully Submitted,
Chief, *William S. Taylor* Meriden and Plainfield Fire Depts.

Plainfield Fire Captain Bruce Elder teaches kindergarteners at the Plainfield School about fire safety during fire prevention week.

LOCAL FOREST FIRE WARDEN

2020 was an interesting year for the threat of wildfires in the town of Plainfield and the State of NH. Most of the State of NH was in drought conditions for most of the summer with super dry conditions in the fields and woodlands that resulted in the Governor instituting bans on outdoor burning. It was a stressful time for people in the fire service, but I am thankful to the people of Plainfield that we had NO out of control wildfires in our town in 2020. However, we did respond to a few unpermitted campfires, smoke investigations, a lightning strike, and a very small leaf fire due to the improper disposal of ashes. Our fire crews assisted other Upper Valley towns with containing 3 larger wildfires. The one call that was the most concerning was when someone had lit a “cooking” fire on French’s Ledges. They were gone upon our arrival and had tossed the still hot remnants of the sticks to the side in an attempt to put it out. It is NEVER ok to light a fire on someone else’s land without their permission– no matter how small. There are no public locations in Plainfield that you can have an outside fire that do not require a permit or notification to a Forest Fire Warden. All outside fires have their own unique set of rules depending on size and what time of day it is, distance from structures and trees and many other variables, so it is best to talk to a Forest Fire Warden or Deputy Warden prior to starting a fire. A seasonal permit is available and required for any cooking fires or fire pits that is valid for the calendar year.

There are two ways to obtain a fire permit:

1. Contact any of the forest fire wardens for a free of charge permit – they are listed on the town’s web page under Fire&Rescue. <https://www.plainfieldnh.org/fire.htm>
2. You can purchase (\$3) an online permit through the state of NH web site www.NHfirepermit.com.

If you have any questions about rules for outside fires, please contact myself or any of the deputy wardens listed on the town web page.
Again – many thanks to the people of Plainfield for being safe in 2020 and looking forward to 2021.

Bruce Elder-Plainfield Forest Fire Warden

As Smokey Bear says “**Remember, Only You Can Prevent Wildfires!**”

REPORT OF THE STATE FOREST RANGER

This year we experienced challenging wildfire conditions which led to deep burning fires in remote locations that were difficult to extinguish. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2021 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdf/. For up to date information, follow us on Twitter: @NHForestRangers

CORNISH RESCUE SQUAD

Dear Members of the Plainfield and Cornish Communities:

Once again members of the Cornish Rescue Squad would like to thank you for your generous financial support through both town funding and individual donations. The funds are used to pay for insurance, dispatch fees, vehicle operation, building maintenance, supplies, equipment, protective gear and training for our members, along with other costs.

Our 16 active licensed responders range from Emergency Medical Responders to Paramedics. In addition to calls where we provide direct medical care in cooperation with transporting ambulance services, we also provide scene support to Plainfield/Meriden and Cornish Fire, as well as mutual aid support to neighboring towns.

Some of our usual activities were curtailed due to closures, such as the Cornish Fair First Aid booth and concerts at St. Gaudens National Historic Park. We still provided support for several events where conditions allowed them to proceed.

Thanks to good support from the State EMS Bureau and Emergency Operations we were able to get past the few periods when we were unable to obtain protective equipment in the open market. Supplies are easier to obtain at this point. Thanks to the proper use of personal protective equipment, none of our members were subject to quarantine.

If you are interested in joining, or if you have questions, please contact Chris Chilton at (603) 398-8855.

If you are interested in becoming an EMR or EMT, please contact Jim McCarragher at 603-469-3505. Training is offered through his company Emergency Management and Training Associates, LLC.

PLEASE buckle your seat belts, check the batteries in your smoke and CO detectors, and be SAFE. If you need help with your detectors contact your Fire Department

Dial 911 for any emergency, Medical, Fire or Police related. NH Poison Control dial 1-800-222-1222.

Sincerely,

Rob Drupe, President

Chris Chilton, Vice President

	TOTAL	\$930,740.21

HUMAN SERVICE REPORT

Dear Plainfield Neighbors,

As the year 2020 comes to a close, we all can reflect on all the positive things that have come from the current pandemic. Plainfield has done a remarkable job in navigating these uncharted waters. As a community we have come together to support one another's health and well-being.

It is with deep appreciation and gratitude that I express my thanks for everyone's patience, random acts of kindness and donations. The Community Resource Room & Food Pantry has received hundreds of dollars to provide food security to the residents of Plainfield, Meriden & Cornish. Willing Hands has been instrumental in providing fresh produce, milk, eggs, and bread products on a weekly basis. The Upper Valley Humane Society continues to help support our pet lovers with their monthly Free Mobile Pet Pantry.

Donations of durable medical equipment has provided many residents a sense of security while recovering at home.

To our amazing educators who strive to keep our schools open and continue to provide exemplary education to our youngsters. To all the children in Plainfield, Meriden and Cornish who have adjusted so well to all the new safety measures without much fuss --- you are my HEROS!

To all our Caring Neighbor Volunteers for making phone calls to check in on neighbors, for picking & delivering groceries & medications, dropping off lunches to neighbors and for providing rides to medical appointments.

To our volunteer fire departments and rescue squad for always being on call to help a neighbor in an emergency. Your dedication to our communities is admirable and so appreciated.

Recognizing our local 4-H Clubs, Boy Scouts, Girl Scouts and Daisy Troop whose members have all stepped up to lend a helping hand. Whether it was raking leaves, shoveling snow, delivering & piling wood, donating Christmas trees, organizing, and collecting nonperishable food items, creating holiday cards and decorative ornaments for one's holiday cheer they all have contributed to building our hometown spirit even stronger this past year.

In the year of 2020, a total of \$18,285.80 was disbursed to assist 68 households in need. The Community Resource Room & Food Pantry from January-December 2020 provided 12,384 meals to community members.

The breakdown for monies disbursed in 2020 is as follows:

Housing	\$1,500.00
Electric	\$ 908.00
Heating	\$ 530.00
Medical	\$ 930.62
Food	
	\$6,266.95
(Food Pantry & COVID-19 Grocery Support Purchases made with donations & grant awards)	
Senior Drive Thru Luncheons	\$8,150.23
(Meals supported by monies obtained from donations & grant awards)	
TOTAL	\$18,285.80

Despite the pandemic our community outreach projects have flourished. Sometimes when we are forced to step outside the box new and exciting things can and do happen. When a glass is half full many positive opportunities can be created.

Thank you again for all your continued support of our community outreach projects. Together we are here for one another and we are making a difference!

Do you need assistance or know of a neighbor that could use a helping hand?

Please contact:

**Town of Plainfield's Resource Director Stephanie M. Schell

May 2021 bring peace and hope to you and yours.

Respectfully Submitted,

Stephanie M. Schell

Community Resource Director

In addition to our local resources, residents have access to the following Upper Valley human service organizations, many of these request and receive funding each year:

Grafton County Senior Center	Community Alliance
Lake Sunapee Alliance	Southwest Community Services
Volunteers in Action	West Central Services
Mascoma Health	Listen
Headrest	

KIMBALL UNION ACADEMY STUDY COMMITTEE

The charge of this committee is to meet with representatives of Kimball Union Academy (KUA) administration to maintain an ongoing review of the relationship between the academy and the town, and to report its findings at annual town meeting. The committee held three meetings between November and January.

This year's committee focused on a dialogue between the town and the school concerning efforts to minimize the impact of COVID 19 on our community. Town Human Services Director Stephanie Schell and KUA's Director of Health Services Melissa Underhill joined the group.

Over the summer Kimball Union developed a health and safety program for operating in person. This program involves all KUA employees and students and their families. The program includes a social contract that guides behaviors such as hand washing, social distancing and mask wearing during the pandemic. The program also includes an

extensive COVID 19 testing program, daily monitoring of students and employee health and daily disinfection of surfaces and filtration of the air in its buildings. Like many other educational institutions KUA adopted a school year model that was divided into only two segments (i.e. September to November and January to May). Understandably, Kimball Union has had to close all campus facilities to those that are not directly associated with the school.

The Academy received a Payroll Protection Program loan under the CARES Act. The loan proceeds have been instrumental in enabling KUA to maintain full employment and have limited the economic impact of the pandemic on KUA and the community. Town and School health officials have, as needed, been in constant contact.

In other news, Kimball Union has signed a new lease for the Meriden Post Office for a term of five years. The Academy has the option to terminate the lease with 365 days notice but no earlier than August 31st 2022. Kimball Union remains committed to working with the community to find a more suitable long term location for the village post office.

While slowed by the pandemic, Kimball Union has continued to make improvements to its campus to ensure that the school remains competitive. Capital projects over the summer of 2020 were focused on improving dormitory corridors, bathrooms and common areas.

The KUA Study Committee continues to pursue safety issues in and around the campus. In particular, the crossing of Main Street by the students is of the utmost concern. Suggestions of how to improve the safety of the crosswalks is an on-going priority.

Facts:

- *Kimball Union employs 144 people, 81 live in town (49 on campus, 32 off campus).
- *Currently, 19 local kids attend the private school, 11 of these students are from families unaffiliated with KUA.
- *It costs about \$22,000 per year to educate a Plainfield Elementary Student.
- *There are 28 students at PES from families of KUA faculty/staff.
- *The student tuition at Lebanon High School is \$16,818
- *The day student tuition at Kimball Union is \$42,400.
- *The boarding student tuition at Kimball Union is \$66,700.

The Meriden Fire Brigade, made up of KUA students, continues to provide assistance at many fire and accident calls during a school year.

Findings affirmed by your committee again this year:

Kimball Union remains committed to helping to educate those local students who are identified as likely to benefit from its education program, regardless of the student's ability to pay.

The only way for a local student's family to know whether Kimball Union is a viable option is to apply to the school. Many of the students attending the school receive significant financial aid.

Kimball Union has a direct interest in maintaining the high quality of the Plainfield Elementary school which educates the children of many staff members.

Plainfield Elementary students have traditionally performed very well at Kimball Union and Lebanon High School.

The town benefits financially from the many local students who choose Kimball Union over our publicly funded high school.

Recommendations: The committee continues to support existing and to advocate for new cooperative linkages between the Plainfield Elementary School and Kimball Union. It is your committee's view that these connections provide the best possible educational opportunities for local students and the best opportunities for saving tax money.

The Committee continues to feel that the Kimball Union Study Committee should be continued into the future. This committee provides a platform for discussing issues of common concern.

2020/21 Kimball Union Study Committee *Stephen Beaupre, John Yacavone, Andrea Buena Keen, Robert Blake, Kate Whybrow, Robert Hewett, Stephanie Schell, Melissa Underhill, Stephen Halleran*

ENERGY COMMITTEE

Evan Oxenham, Jen Lenz, Jordy Green, Lee Oxenham, Nick Cohen, Ron Eberhardt, Steven Ladd.

The Plainfield Energy Committee's mission is to encourage energy conservation, energy efficiency practices and to promote the use of renewable energy in homes, businesses and public buildings through education and community outreach.

The Plainfield Energy Committee teamed up with the Cornish Energy Committee once again to run a second **Weatherize Plainfield/Cornish** campaign. These measures help residents implement effective insulation and air sealing measures to reduce the energy cost to heat and cool their homes. Nine homeowners qualified for NHSaves' increased rebates of up to \$8,000 which covered up to 90% of the certified building contractors' costs. Despite the pandemic, almost all the work was safely completed this year. We followed up with two **Button Up** presentations tailored for the DIY homeowner, with tips and instructions on how to do simple, low-cost weatherization and later followed up with more advanced techniques and projects.

The Plainfield and Cornish Energy Committees in partnership with the Upper Valley E-Bike Lending Library ran a two-week **E-Bike Loaner Program** this past summer with glowing results. Two days were devoted to 1-hour test drives and all the slots for the 3-day rentals were filled! We've seen a few more E-Bikes around town because of this! We hope to be able to have the rentals available again in 2021.

Also, in conjunction with the Cornish Energy Committee, we provided and/or co-sponsored many educational events in our **Renewable Energy Educational Series** via online webinars and created a **Did You Know?** series of short articles for Connect Cornish and for our website to help residents understand the short-term costs and long-term benefits of reaching our town's commitment of using 100% Renewable Energy by 2050.

Brad Atwater, Plainfield's Facilities Manager, commissioned **Energy Audits** for four of our town buildings in 2020: the Meriden Town Hall, Philip Read Memorial Library and our two Fire Stations. These audits were deemed necessary as a prerequisite for planning how best to replace the aging heating systems in all seven of our municipal buildings over the next 10-15 years. The audits also enabled us to better understand our town's energy profile, to determine how well our energy efficiency updates are working, and informed us as to the best path forward as we transition from fossil fuels to renewable sources of energy. The Energy Committee has identified cold-climate heat pumps capable of using renewable electricity as the most cost-effective long term replacement option and is investigating possible sources of grant funding to assist with up-front costs.

The Energy Committee continues to work on the Town's Renewable Energy Plan and we anticipate having a preliminary document available in time for the upcoming town meeting.

Key features of the Renewable Energy Plan:

1. Reduce overall energy use by improving the efficiency of our buildings, vehicles and appliances.
2. Phase out the use of fossil fuels as town equipment ages and requires replacement.

3. Preferentially invest in and utilize cost-effective local renewable energy sources.
4. Purchase electricity generated from renewable sources from third party suppliers.
5. Replace fossil fuel powered equipment by switching from oil furnaces, boilers, and gas-powered vehicles to electrical equipment such as cold climate heat pumps and battery electric vehicles.
6. Educate and promote ways for town residents to move into the renewable energy future.

We are already taking steps to meet our **Ready for 100 goals**. As but one example, Community Aggregation, also known as Community Power, provides a realistic near-term mechanism through which to obtain renewably generated electricity at prices below those the utilities charge. To this end, the Plainfield Energy Committee is participating in a Local Government Community Power committee, with representatives of eleven other local towns. We are looking to provide cost-effective renewably generated electricity to our towns by pooling our combined electricity load and purchasing in bulk. By working together, we can spread out the relatively minor administrative costs and reap the major economic benefits for residents across the eleven participating towns.

We are always looking for new recruits to serve on our **Ready for 100% transition and implementation team**. If interested, you will help: finalize our Ready for 100 plan, devise strategies for realization, and build a local coalition to support the 100% renewable energy transition. It's a great opportunity to work with our town administrator, the select board, and members of other town committees as we work toward implementing our plan. You will also help continue our educational seminars and workshops and maintain and expand our relationship with other local communities and organizations. Please contact any committee member if you'd like to get involved.

Respectfully submitted,
Evan Oxenham and *Steve Ladd* Co-chairs
Plainfield Energy Committee

SOLID WASTE COMMITTEE REPORT

This year, the Plainfield Solid Waste and Recycling Group spent time addressing the end of the town's curbside collection contract. The Group evaluated the current program and developed a request for proposals for waste and recycling contractor. A number of vendors were contacted, however, only one responded. The town will renew its contract with Casella for another three years.

In 2020, recycling markets were hit hard. We would like to strongly encourage everyone to read the recycling flyer and only recycle items on the list. Please no bowling balls, winter sleds or turkey carcasses in the recycling bin. Putting the wrong items in the bins costs money; we all need to do our part to recycle right.

The focus in 2021 will be on outreach. Group members have been writing articles for Plainfacts and researching other programs. It is our hope to encourage our neighbors to reduce food waste at home through composting. Currently, two options are available: 1) back yard composting is a great way to reduce waste at no cost and 2) participate in the food scrap drop off program at the Lebanon Solid Waste Facility. Both options reduce waste, save money and are good for the environment.

Respectfully submitted,

Marc Morgan, Richard Atkinson, Hillary Sundell, Wayne Tucker and Susan Williams

FINANCE COMMITTEE REPORT

The Finance Committee, consisting of 6 members, is authorized by the voters and appointed each year by the Town Moderator to advise the Select Board and other officers of the town in the prudential affairs of the town.

Finance Committee members attended all School Board and Select Board meetings and public hearings related to the budget. In addition, separate Finance Committee meetings were held with public participation to discuss budget related issues.

Summary of Town and School Finances

To say the least, 2020 has been a challenging year. The Covid-19 pandemic had significant impacts on the school program and its budget. More importantly, it had a significant impact on the students and parents and school staff who were trying to make the best of an unprecedented situation. The pandemic continues to create uncertainty about future school programs, state funding and the financial needs of our community. Please keep this in mind as you review and consider the Town and School budget proposals. The perspective of the Finance Committee is that both the Town and School

officials have worked tirelessly to make good projections, cut expenses where they could and minimize the pandemic's impact on taxpayers while still maintaining the services that this community expects.

The town budget, including warrant articles, would increase the tax rate by about \$0.28 which would add \$70 in taxes for a property assessed at \$250,000. In addition, the school budget, including warrant articles, would increase the tax rate by \$1.38 which would add \$345.00 in taxes for a property assessed at \$250,000.

Town Budget

Meriden Library – Article 2

The Library Trustees bring to the town a warrant to raise and appropriate a sum of \$1,150,000 for the replacement of the Meriden Library Building, and to authorize a withdrawal of \$55,000 from the town's ADA Capital Reserve Fund, \$17,761 from the town's Meriden Library Replacement Fund, and accept the remaining balance of \$1,077,239 in donations from the Meriden Library Building Fund and the Meriden Library Foundation.

The project will bring a new building and community space to the town that will be energy efficient and in compliance with the town's "Ready for 100" initiative. The new library building will also be ADA compliant.

Tax Impact: None. No additional dollars \$0.00 will be raised by taxation.

The finance committee supports this article. (Vote 6-0)

Operating Budget – Article 3

The operating budget request for \$2,466,662 represents an increase of \$56,662 or 2.4% from last year. The largest increases in the budget were the contracts for solid waste collection and disposal accounts (\$42,500) and dispatch services (\$7,000). In addition, revenues from the State are uncertain as a result of the pandemic. However, we believe that the projections and line-item decisions made by the Select Board are reasonable and should be supported.

Tax Impact: The operating budget, exclusive of other warrant articles, accounts for \$4.51 of the tax rate or \$1,127.50 for a property assessed at \$250,000.

The finance committee supports this article. (Vote 6-0)

Reserve Funds - Article 4

Reserve funds are taxes collected by the town for specific identified future expenses. The use of these funds has served the community well by preventing large fluctuations in the tax rate from year to year. The requested allocation of \$257,500 is unchanged from last year.

The finance committee strongly recommends that the leasing option be evaluated by the Select Board and the CIP be provided to voters before supporting any future allocations to these funds. (See Recommendation below)

Tax Impact: Support for the reserve funds' allocations would account for \$.83 of the tax rate or \$207.50 for a property assessed at \$250,000.

The finance committee supports this article. (Vote 6-0)

VNA (Petitioned Article)

Although there are three visiting nurse associations which serve Plainfield families, the Town has traditionally supported the VNA and Hospice of NH & VT with a contribution as recommended by our Community Resource Director. This year, the VNA placed petitions in the Meriden and Plainfield stores to allocate \$8,500 to that organization which is nearly twice the amount recommended by the CR Director. The petitions were duly signed by Plainfield residents and are reflected in Article 5. However, the Finance Committee believes that the allocation of limited funds in the Health budget to a particular service organization is best left to the Community Resource Director and Select Board where it can be considered in light of other competing needs and, further, that any request for additional funds by a health service organization should be directed to those offices.

Tax Impact: This article would add \$.03 to the tax rate or \$7.50 for a property assessed at \$250,000.

The Finance Committee does not support this article (Vote 6-0)

School Budget Commendation

The Finance Committee commends the Plainfield Elementary School (PES)

Administration, Staff, and School Board for successfully re-opening PES to 5-day, full time instruction during the COVID-19 pandemic. Their efforts have allowed the children of Plainfield to continue to learn and grow despite the crisis surrounding the community and have enabled Plainfield families to continue their employment in a very challenging time. The Finance Committee cannot express enough appreciation for everything PES is doing this year to keep Plainfield kids safe and in school.

Operating Budget – Article 2

The School Board began this budget process by asking the Administration for two budget choices: one planning for a ‘normal’ school year with students in school and one planning for a ‘Covid-19 year’ requiring a remote learning program, the latter being much more expensive because of extra curriculum costs and staffing. After much discussion, the School Board chose to move forward with the less expensive, ‘normal’ budget in combination with the ‘insurance’ offered by Article 7. We believe that this was a prudent decision on the part of the School Board.

The operating budget request of \$7,298,336 represents an increase of \$417,828 or 6.07% over the previous year. This results primarily from increases in tuition expense (more students going to Lebanon), employee benefits and required contributions to the NH retirement system combined with a reduction of non-tax revenue. Non-tuition, non-benefit expenses increased less than 0.3% (\$8,244). After multiple meetings, including a public hearing, the School Board reduced the initial budget request by over \$148,000 with no new programs planned for next year. However, the budget request results in a 6.4% increase in tax dollars needed. While this has a significant impact on taxpayers, we believe that the School Board and administration have worked diligently to control costs where possible and still maintain the quality of the program which the community expects.

Tax Impact: This article would account for \$16.64 of the tax rate or \$4,160 for a property assessed at \$250,000.

The Finance Committee supports this article. (Vote 6-0)

Negotiated Contracts

The School Board has negotiated three-year contracts with both the support staff and teaching staff. Note that the figures below apply only to the base salaries and do not reflect the yearly step increases received by employees who are not at the top of the salary scale. The resulting salary increases will keep Plainfield's school employees near the mid-range of comparable salaries for our cohort districts: Claremont, Grantham, Lyme and Lebanon. We believe that it is in the school's interest to maintain competitive salaries and that the contracts should be supported.

PSSA Contract – Article 3

The support staff contract provides yearly increases to the base salary of 1%, 1.5% and 2% during the three years. The associated cost increases are \$10,978 – FY2022, \$12,211 – FY2023, and \$12,850 – FY2024. Although approval of this article applies to all three years, only the first year's expense is included in this budget.

Tax Impact: This article would add \$.04 to the tax rate or \$10.00 for a property valued at \$250,000.

The Finance Committee supports this article. (Vote 6-0)

PSA Contract – Article 5

The teacher contract provides yearly increases to the base salary of 2.25%, 2.25% and 2% during the three years. The associated cost increases are \$49,590 in FY2022, \$50,706 in FY 2023, and \$46,085 in FY2024. Although approval of this article applies to all three years, only the first year's expense is included in this budget.

Tax impact: This article would add \$.16 to the tax rate or \$40.00 for a property valued at \$250,000.

The Finance Committee supports this article. (Vote 6-0)

Change Purpose of Tuition/Special Education Reserve Fund – Article 7

In making the decision to move forward with a budget designed to support a return to full time attendance for all students, the School Board is fully aware that the future impact of the pandemic is out of their control. Based on the past year's experience, the cost of moving back to a fully remote organization could approach \$300,000. The Tuition/Special Education reserve fund has a balance of \$344,000 at present. By changing the purpose to include pandemic expenses, this fund could be used in an emergency to cover those unexpected costs. Note that the change is for one year only.

Tax Impact: None

The Finance Committee supports this article. (Vote 6-0)

Contingency Fund – Article 8

RSA 198:4-b allows the School Board carry over a certain amount of unassigned balance for use in the following fiscal year. While it sounds similar, this is quite different than the rights the Town (a municipality) has to build an unassigned reserve fund over a period of years.

- Funds to be carried over are limited to 5% of the net assessment (total expense budget minus revenue and State aid). However, the amount available is limited by the funds left over at the end of the fiscal year. (For Plainfield that would be the total surplus minus any unused tuition which the School Board has committed to return to taxpayers.)
- The decision to place funds in the contingency account would likely occur in September following the close of the fiscal year on July 1 and would be at the

discretion of the School Board. Any funds put into the contingency fund would reduce the amount that would have been returned to taxpayers.

- The funds put in the contingency reserve are held for one year only. Any unused funds are returned to the taxpayers at the end of the year so the reserve will not build over time.
- The School Board must have a public hearing before any contingency funds can be used. Note: The Board is required to give notice of a planned expense, but it is not required to get permission to continue its plan.
- The advantage of a contingency fund would be the flexibility to mitigate the impact of unexpected expenses e.g. an influx of students over the summer which requires an additional teacher.

The Finance Committee understands the benefit of adding flexibility to address unexpected expenses. However, the school has always been able to adjust its budget to accommodate all but the largest expenses; and the Tuition/Special Education reserve fund exists to help manage the most likely exceptions. We also understand that this is an unusual year. Assuming the passage of Article 7, the funds in the Tuition/Special Education/Pandemic Reserve would be committed in three different ways, any one of which could empty the reserve. Given the significant increase in the school budget, we are reluctant to add an unknown expense.

Tax Impact: The tax impact is unknown since the contingency reserve would not be funded until later in the year.

The Finance Committee does not support this article. (Vote 6-0)

Add \$25k to Tuition/Special Education Reserve Fund – Article 9

While many unknowns exist this year, the current Fund balance of \$344,000 exceeds the goal set by the School Board for Tuition/Special Education Reserve (\$325,000) and is sufficient to cover the estimated costs of returning to a remote learning model (\$300,000 +/-).

Tax Impact: This article would add \$.08 to the tax rate or \$20.00 to a property valued at \$250,000.

The Finance Committee does not support this article. (Vote: 6-0)

AREA Agreement – Article 11

The Authorized Regional Enrollment Area (AREA) Agreement determines the tuition Lebanon charges to Grantham and Plainfield and guarantees placement of Plainfield students at Lebanon High School. The current agreement was negotiated in 2010 and has saved the taxpayers thousands of dollars by providing lower tuition rates and preventing tuition spikes greater than the percent increase in the Lebanon school budget. The agreement was for ten years and has now been revised. There are minor adjustments to the agreement, but the most important economic incentives for Plainfield remain. The basic formula for determining tuition rates includes ‘the cap’ which limits the percentage increase of tuition in a given year and the three-year rolling average for student daily membership which limits sharp fluctuations in tuition based on changes in student census. It is in the taxpayers’ interest to continue this agreement.

The Finance Committee supports this article. (Vote 6-0)

Recommendations

Donations to community organizations: It came to our attention that some money authorized for community organizations at previous District Meetings was not spent because the recipients did not send an invoice to the Town. We recommend that the Town make every effort to contact each organization designated to receive funds regarding the Town's requirements for completing the distributions approved by the voters.

Town Reserve Funds: Several municipalities in NH have adopted a leasing program for capital equipment in lieu of or in conjunction with a smaller reserve program. In addition, the current Capital Improvement Program (CIP) is being revised and updated. A summary of the Town CIP (and School CIP) should be included in the Town Report to give voters an overview of future expenses and the leasing option should be evaluated by the Select Board before supporting any future allocations to these funds.

Town Spending on Clean Energy: At the 2018 town meeting, the Town set a goal of having 100% reliance on renewable energy sources by 2050. Since then, the Energy Committee has worked tirelessly to provide resources to help the community achieve that goal, and we commend their efforts. However, we see a need to develop a Clean Energy Plan for the Town which sets priorities and guides decisions about which projects and expenditures are most cost effective (i.e., of highest value) as we work toward a clean energy future. We further recommend that the town consider establishing a Clean Energy reserve fund which could be used to support the Plan as it matures and spawns actionable investments. The use of a reserve fund would provide visibility and give the tax payers a voice in future spending.

Mike Sutherland Chair, Finance Committee

STATE REPRESENTATIVE DISTRICT #9

I am honored to serve my fourth term as State Representative for Sullivan County, District 9, serving the towns of Cornish, Croydon, Grantham, Newport, Plainfield, Springfield, Sunapee, and Unity. I will again be a member of the House Education Committee. At the County Level I will be a member of the Executive Finance Committee.

Last March when the Covid pandemic caused a shutdown of all non-essential businesses, much of the legislation from the House was no longer moving forward to the Senate. Bills to address the education committee's priorities and to provide adequate funding for our public schools and colleges were, for the most part, tabled or vetoed. However, the independent Commission to Study School Funding had started their work and continued through the year. Based on independent data and input from many and various

stakeholders, the commission released its report. The full report can be found at, https://carsey.unh.edu/sites/default/files/media/2020/12/final_report_forcommission_v5_12012020.pdf

Some of the findings from the study indicated that, “the current funding system does not provide for an equitable opportunity for an adequate education for all New Hampshire Students.” The commission adopted an Education Cost Model formula that takes in several factors, “specific to the school district, including information about the students who attend schools of varying sizes and at different grade levels.” I look forward to the hard work it will take in this budget year to meet the challenges of school funding addressed in the Commission report and other issues that affect our schools and colleges. I would like to thank our public schools, administrators, teachers, and staff who continue to meet the challenges of the pandemic which made more visible the underfunded role of our schools in meeting needs of students such as food, health and safety, access to the internet and technology, and mental and behavioral supports, special education, and building requirements and safety. In addition, thank you to all those in town government, our police, fire, and EMS along with essential workers in all fields for their commitment to serve, protect, and help all of us through these tough times. We are stronger together.

We know that many people and many small businesses in our communities are suffering. I will continue to work to help our communities, schools, small businesses, and those who have lost their livelihoods, jobs, and homes to recover from this pandemic. Thank you for giving me the honor of representing you in the New Hampshire House. Please get in touch with me with comments or concerns.

Linda Tanner

NH State Representative Sullivan District 9

MERIDEN VILLAGE WATER DISTRICT
2020 Operator's Report

The MVWD wastewater treatment facility continued to discharge to temporary rapid infiltration basins during the year. Horizons Engineering worked on and submitted the design for the permanent basins to the NH DES. The project to build the permanent basins has been approved by the district voters and funding is in place in the form of a Northern Borders grant. The project will go out for bid in early 2021 and construction will begin in the spring and continue through the summer. The MVWD has asked the Plainfield School Board for an easement modification to allow for construction of two of the proposed five basins. The School Board supports the request and it will be on the School District warrant.

There will be another construction project over the summer in the MVWD. The Commissioners are proposing to replace 1300 feet of water main on Main St. The project will replace a section of heavily corroded 2 inch pipe that has been in the ground since the 1940's. The pipe begins at the Bonner Rd and Main St intersection and continues down the hill to #133. The new main will be upgraded to 6 inch and several fire hydrants will be added. This project will be on the MVWD warrant in March.

The last two lots in the Baynes Rd development were sold during the year. The development was begun in 2004 and now includes 12 homes. All of the lots are connected to MVWD water and sewer. The former Duckworth Museum building was sold and will be converted to 3 condos. The building was connected to MVWD sewer in December.

Commissioner Murray Dewdney retired from the board in 2020. Murray lived and worked at KUA for many years. Murray served as MVWD Commissioners for 23 years. Thank you to Murray for his many years of service to the district.

Respectfully Submitted,

William S. Taylor, Certified Operator, Meriden Village Water District

Jeffrey S. Albright

Greg Castell

Derek Gueldenzoph

Commissioners, Meriden Village Water District

THE STATE OF NEW HAMPSHIRE

SULLIVAN, SS.

TOWN OF PLAINFIELD

To the inhabitants of the Town of Plainfield in the said county of Sullivan in said State, who are legal voters residing in the Meriden Village Water District, and qualified to vote in said District affairs:

You are hereby notified to meet at the MERIDEN FIRE STATION in said Meriden Village Water District on Tuesday the sixteenth day of March 2021 at 7:30 p.m. to act upon the following subjects:

ARTICLE 01. To choose the necessary District Officers for the ensuing year, or otherwise as the by-laws direct:

1. A moderator for one year
2. A clerk for one year
3. A commissioner for three years
4. A treasurer for one year
5. An auditor for one year
6. Such other officers and agents as the voters may judge necessary for the managing of the district's affairs, or as may be directed by law to be chosen.

ARTICLE 02. To see if the district will vote to raise and appropriate \$415,000 (gross budget) for the replacement of a portion of water main on Main Street, and to authorize the issuance of not more than \$265,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the commissioners to issue and negotiate such bonds or notes and to determine the rate of interest thereon; further, to withdraw \$150,000 from the water capital reserve fund (the commissioners are agents to expend). The commissioners recommend this appropriation (3/5 ballot vote required).

ARTICLE 03. To see if the district will vote to raise and appropriate the sum of \$10,000 to be added to the Capital Reserve Fund created in 1993 for replacing or upgrading the water distribution system facilities and equipment, pursuant to RSA35:1, with funds to come from user charges. The commissioners recommend this appropriation. (Majority vote required).

ARTICLE 04. To see if the district will vote to raise and appropriate the sum of \$10,000 to be added to the Sewer Capital Reserve Fund previously established, with funds to come from unassigned fund balance. The commissioners recommend this appropriation. (Majority vote required).

ARTICLE 05. To see if the district will vote to raise and appropriate the sum of \$57,000 for funding the district share of RIB construction costs and authorize the withdrawal of \$25,000 from the Sewer Capital Reserve Fund created for that purpose. The balance of \$32,000 is to come from user charges. The commissioners recommend this appropriation. (Majority vote required).

ARTICLE 06. To see if the district will vote to raise and appropriate the sum of \$236,261 for general district operations, with \$222,600 to come from user charges, and \$13,661 to come from unassigned fund balance. This article does not include

appropriations contained in special or individual warrant articles addressed separately. The commissioners recommend this appropriation. (Majority vote required)

ARTICLE 07. To see what action the District will take with regard to the reports of the district officers.

ARTICLE 08. To see what action the District will take with regard to water and sewer user charges.

ARTICLE 09. To enact any other business that may legally come before this meeting.

Given under our hands and seal this tenth day of February, 2021.

A true copy attest:

Jeffrey S. Albright

Greg Castell

Derek Gueldenzoph

Commissioners, Meriden Village Water District

**MINUTES
MERIDEN VILLAGE WATER DISTRICT MEETING
MARCH 17, 2020**

At a legal meeting of the inhabitants of the Meriden Village Water District, in the town of Plainfield, County of Sullivan, State of New Hampshire, qualified to vote in District affairs, held at the Meriden Fire Station on Tuesday the seventeenth of March 2020 at 7:30 p.m., the business was disposed of in the following manner:

The Annual Meeting of the Meriden Village Water District was called to order by Moderator Stephen Taylor.

ARTICLE 01. The following resolution was offered, and it was moved and seconded that it be adopted:

RESOLVED: That the following slate of officers be elected:

Moderator for one year: Stephen Taylor

Clerk for one year: Roberta Garfield

Commissioner for three years: Gregory Castell

Treasurer for one year: Donald Garfield

Auditor for one year: Catherine Legare

The vote was unanimous in the affirmative and the moderator declared the individuals were elected.

ARTICLE 02. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED: That the district vote to raise and appropriate the sum of \$35,000 to be added to the Capital Reserve Fund created in 1993 for replacing or upgrading the water

distribution system, pursuant to RSA35:1, with \$24,930 to come from unassigned fund balance and \$10,070 to come from the operating budget.

It was unanimously voted in the affirmative and the moderator so declared it.

ARTICLE 03. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED: That the district vote to raise and appropriate \$470,000 for construction costs on a Rapid Infiltration Basin System at the wastewater treatment facility, with \$376,000 (80%) to come from a Northern Border Regional Commission (NBRC) grant, \$65,000 from the sewer capital reserve fund, and the remaining \$29,000 to come from unassigned fund balance. This article will be non-lapsing until 12/31/2022. The Board of Commissioners is named agent to expend from the capital reserve fund.

It was unanimously voted in the affirmative and the moderator so declared it.

ARTICLE 04. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED: That the district raise and appropriate the sum of \$250,450, which represents the operating budget, with \$248,030 to come from user charges, and \$2,420 to come from unassigned fund balance. Said sum does not include special or individual warrant articles addressed.

It was unanimously voted in the affirmative and the moderator so declared it

ARTICLE 05. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED: That the reports of District Officers as printed in the Town of Plainfield 2019 Town Report be approved, and that a corrected copy be placed on file with the district Clerk.

It was voted in the affirmative and the moderator so declared it

ARTICLE 06. The following resolution was offered and it was moved and seconded that it be adopted:

RESOLVED:

1. That District charges for residential sewer service be increased from \$115 per quarter to \$120 per quarter.
2. That District charges for sewer service to Kimball Union Academy be increased from \$9,730 per month to \$9,980 per month.
3. That District charges for sewer service to Plainfield Elementary School remain at \$550 per month.
4. That District charges for residential water service remain at \$95 per quarter.
5. That District charges for water service to Kimball Union Academy be increased from \$6,460 per month to \$6,610 per month.

It was voted in the affirmative and the moderator so declared it.

ARTICLE 07. There being no further business, the meeting was declared adjourned at 7:50 p.m.

Roberta I Garfield

Commissioners, Meriden Village Water District

SUBJECT: 2020 Audit Findings

Gentlemen:

I have reviewed the MVWD Treasurer's 2020 financial records, per RSA 41:31a and 41:31d, and find these records to be complete and accurate to the best of my knowledge.

Catherine Legare, Auditor Meriden Village Water District 01/30/21

PLAINFIELD VILLAGE WATER DISTRICT Commissioners' Annual Report

The year 2020 Presented many challenges the district budget as it did for everyone else. None of the planned projects were completed, which meant that even with a reduced overall budget we ran a surplus while still maintaining a state of good repair.

System operation during 2020 was generally satisfactory. Our system operator Adam Lewis has done a good job keeping up with testing and reporting requirements, the result of which is that we have not had to send out any notices except the annual Consumer Confidence Report. The results of all of our tests were satisfactory, and well within the required limits. Because we did PFA testing last year with negative results we are not required to retest for some time.

A bill to reduce the violation level for arsenic to half of the current level passed the state legislature last year. The district will have to take some action in 2021, so the commissioners have elected to set aside some of this year's surplus, along with additional money, to create a cushion for the district in the face of unknown costs for additional testing and/or treatment. The state would be responsible for any required expenditures, as this would be a new mandate. The usual process for this involves the district expending the money and getting reimbursed. Normal 2020 difficulties in starting new projects means that we do not yet know what our costs and other impacts will be.

Collections, as always, are difficult. Our "accounts receivable" number still represents about half "old debt" (more than 180 days) and about half accounts that are one billing period overdue. We did recover some of our "old debt" when two residences were sold. Our policy of making settlement offers for delinquent customers has not been particularly fruitful, so we are also considering pursuing other options. Two properties in arrears were sold this year at which time we recovered any back charges, plus interest.

The DES grant program that is expected to bring in about \$3600 this year was not funded for the 2020 fiscal year, but may be in 2021. The slight reduction in rates we were able to adopt in 2020 due to retiring the 1999 bond issue continues to yield enough revenue to meet our expenses.

The commissioners' greatest concern in the future of the district is our inability to replace our volunteer officers. Our new Treasurer, Anne Grover, has done an excellent job, especially considering some of the restrictions we were operating under. We were unable to offload some of the treasurer's job, and that of the billing clerk, by contracting for services as planned, but we will be looking into that in the future.

Notes on the other documents:

Testing costs have been shifted from Water Service to Water Treatment (no change in amount).

Transfer of \$15,000 to Expendable Trust from last year's Article IV was completed in January, but is charged to 2020.

There is plenty of work for anyone interested in helping. Please contact one of the commissioners if you're looking for opportunities. We are still looking for a billing clerk and a meter reader, both of which are paid positions. Our annual meeting is on March 27th at the Plainfield Library.

The Commissioners,
Robert Drye
Brad Atwater
Ron Bailey

**WARRANT
THE STATE OF NEW HAMPSHIRE
PLAINFIELD VILLAGE WATER DISTRICT
TOWN OF PLAINFIELD**

SULLIVAN. SS.

To the inhabitants of the town of Plainfield in the said county of Sullivan in the said State, who are legal voters residing in the Plainfield Village Water District, and qualified to vote in said district affairs.

You are hereby notified to meet at the **Philip Read Memorial Library** in said Plainfield Village Water District on **Saturday the 27th of March 2021 at 9:00 a.m.**, to act upon the following subjects.

ARTICLE I. To choose the necessary district officers for the ensuing year or otherwise.

1. A moderator for one year.
2. A clerk for one year
3. A commissioner for three years
4. A treasurer for one year
5. An auditor for one year

ARTICLE II. To see what action the district will take with regard to the reports of the district officers.

ARTICLE III. To see if the district will vote to raise and appropriate the sum of **\$34,390** to defray district expenses, and to authorize the Commissioners to direct disbursements of funds by the district Treasurer. Said sum does not include special warrant articles assessed. (Majority vote required for passage.) (The Commissioners recommend passage of this article.)

ARTICLE IV. To see if the district will vote to raise and appropriate the sum of **\$15,000** to be placed in the System Maintenance Expendable Trust Fund established in 2007 pursuant to RSA 31:19a, with the amount to come from the unrestricted fund balance. (Majority vote required for passage.) (The Commissioners recommend passage of this article.)

ARTICLE V. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Thirteenth Day of January in the year of our Lord, Two Thousand Twenty One.

At true copy attest: *Robert Drupe,*
Brad Atwater,
Ron Bailey

**Minutes of Plainfield Village Water District
March 28 2020**

Moderator Jeff Moore opened the meeting at 9:10am, declaring the warrant and budget had been posted as required. Mr. Moore then took up the warrant. Rob Drye moved to dispense with the reading. The motion was seconded and passed on a voice vote.

ARTICLE I. A motion to approve the following slate of officers was made and seconded and voted in the affirmative on a vote of 10 to 0:

Jeff Moore moderator for one year.

Virginia Drye clerk for one year

Robert Drye commissioner for three years

Anne Grover treasurer for one year

Beverly Widger auditor for one year.

ARTICLE II. To see what action the district will take with regard to the reports of the district officers. Motion to accept the district reports, with corrections, as printed in the 2019 annual report was made and seconded and voted in the affirmative.

ARTICLE III. Resolved that the district vote to raise and appropriate the sum of **\$34,390** to defray district expenses, and to authorize the commissioners to direct disbursements of funds by the district treasurer. Said sum does not include special warrant articles assessed. (Majority vote required for passage.)
The motion was made seconded and voted in the affirmative 10-0

ARTICLE IV. Resolved that the district vote to raise and appropriate the sum of **\$15,000** to be placed in the System Maintenance Fund established in 2007 pursuant to RSA 31:19a, with the amount to come from the fund balance. The motion was seconded and voted in the affirmative 10-0.

ARTICLE IV. Sarah Gillens was thanked for her years of service as the district treasurer and Margaret Drye for her years of service as clerk.

Moderator Moore swore in the new and returning slate of officers. A motion to adjourn was made seconded and voted in the affirmative on a voice vote.

Meeting adjourned at 9:21am. *Margaret Drye*- Clerk
