

Meriden Village Water District

PO Box 84

Meriden, NH 03770

DATE: September 20, 2020

**WATER USE RESTRICTION AND
CONSERVATION NOTICE**

To all Meriden Village Water Customers:

Due to extremely dry conditions experienced lately, all non-essential water use is prohibited. (Example: vehicle washing, irrigation, pool filling, slip n slides, etc.)

Much of the State of New Hampshire is currently experiencing a severe drought. In order to assure an adequate water supply, water conservation is essential.

The lack of adequate rainfall began early in May and continues presently. Ground water levels are extremely low and it will take major amounts of rainfall to turn things around.

Please make an effort to conserve water whenever possible. Tips for water conservation may be found on the NH DES website.
