

Notice

The Supervisors of the Checklist will be meeting on the following dates at the Plainfield Town offices, 110 Main St., Meriden Village:

Monday, May 10, 2010 on 6:30 pm

Tuesday, June 1, 2010 at 7:30 pm (Required By State)

June 1 is the last day to change one's party affiliation if so desired.

It is advised to look at the current checklist-posted at the Town Office and at the Plainfield Town Hall bulletin board and be certain all of one's voter information is correct. One may change their party affiliation by coming to either of the above-mentioned meetings or coming to the town office and filling out a change of party affiliation form. The Primary Election is to be held **September 14**. The voter will be given only a Republican ballot if registered as a Republican and likewise for a Democrat. If one is registered as an Undeclared, a choice of either ballot will be given. However, the status of Undeclared will change to whatever ballot was chosen-either Republican or Democrat. If one reports to the Supervisors of the Checklist after voting, a return to Undeclared is possible by signing one's name stating one chooses to do so.
