

# Timber Harvest Workshop

Saturday, June 9

9 am to Noon at:

Anne and John Donaghy's  
295 Croydon Turnpike

## Selling Timber? Do It Right!

*Selling timber is a once-in-a-lifetime activity for most landowners.  
No single activity has such power to significantly  
improve or degrade your forest.*

### Workshop Topics:

Goals and objectives of the sale, Role of foresters and loggers, Timber sale contracts, Laws and taxes

- Light refreshments will be served
- Workshop begins indoors, then majority of time is in the Snow Mountain forest.
- Dress for weather
- Rain or shine
- Wear a hard-hat (or one is provided)
